Still recovering from his near fatal wounds suffered at the Yellow Creek Nuclear Plant, Delta Force Commander, Major Kolt "Racer" Raynor, is thrust into a new battle with some of the toughest killers he's ever faced - US Navy SEALs. Government austerity measures have the Joint Chiefs of Staff contemplating the unthinkable - combining Delta Force and the SEALs into a single unit: One Killer Force. In this installment of Dalton Fury's Delta Force series, Kolt's career is in jeopardy and worst

of all, the final say rests in the hands of men who have reasons to want to see Kolt gone. Recovered from her own wounds, Cindy "Hawk" Bird is closing in on becoming the first official female operator in the history of the US military...She only has to survive an insertion into the most repressive regime on earth. Meanwhile, a new terrorist threat looms on the horizon in the form of not one, but possibly two mushroom clouds. Kolt earns his call sign as the action has him racing to the world's hottest combat zones from Syria to Ukraine on hunter-killer missions to eliminate the terrorists before they can enact their deadly mission. Half a world away, a spy deep in the secretive North Korean regime sends a desperate call for help. A new danger to world peace and security is growing in the heart of the increasingly unstable Communist country and no amount of sanctions or political negotiations are going to stop it. Violently applied force is needed, and needed now before it's too late. "A book about the complexities of combat that's just as applicable for dealing with the complexities of business and our personal lives."—Kevin Sharer, chairman and CEO, Amgen As a commander of Delta Force—the most elite counter—terrorist organization in the world—Pete Blaber took part in some of the most dangerous, controversial, and significant military and political events of our time. Now he takes his intimate knowledge of warfare—and the heart, mind, and spirit it takes to win—and moves his focus from the combat zone to civilian life. In this book, you will learn the same lessons he learned, while experiencing what the life of a Delta Force Operator is like—from the extreme physical and psychological training to the darkest of shadow ops all around the world. From each mission, Pete Blaber has taken a life lesson back with him. You will learn these enlightening lessons as you gain insights into never-before-revealed missions executed around the globe. And when the smoke clears, you will emerge wiser, more capable, and better prepared to succeed in life than you ever thought possible. The mission was to kill the most wanted man in the world—an

operation of such magnitude that it couldn't be handled by just any military or intelligence force. The best America had to offer was needed. As such, the task was handed to roughly forty members of America's supersecret counterterrorist unit formerly known as 1st Special Forces Operational Detachment-Delta; more popularly, the elite and mysterious unit Delta Force. The American generals were flexible. A swatch of hair, a drop of blood, or simply a severed finger wrapped in plastic would be sufficient. Delta's orders were to go into harm's way and prove to the world bin Laden had been terminated. These Delta warriors had help: a dozen of the British Queen's elite commandos, another dozen or so Army Green Berets, and six intelligence operatives from the CIA who laid the groundwork by providing cash, guns, bullets, intelligence, and interrogation skills to this clandestine military force. Together, this team waged modern siege of epic proportions against bin Laden and his seemingly impenetrable cave sanctuary burrowed deep inside the Spin Ghar Mountain range in eastern Afghanistan. Over the years, since the battle ended, scores of news stories have surfaced offering tidbits of information about what actually happened in Tora Bora. Most of it is conjecture and speculation. This is the real story of the operation, the first eyewitness account of the Battle of Tora Bora, and the first book to detail just how close Delta Force came to capturing bin Laden, how close U.S. bombers and fighter aircraft came to killing him, and exactly why he slipped through our fingers. Lastly, this is an extremely rare inside look at the shadowy world of Delta Force and a detailed account of these warriors in battle. Her choice is arranged marriage? or death? Kira al-Attiyah's hope for a bright future in the U.S. died along with her father. Now, royal family tradition demands she marry. Refusing? Not an option. Especially since honor killing isn't just urban legend. She knew what she had to do. She just never expected her intended to be a terrorist? Delta Force operator Ty Newcomb's mission was clear. He needed to make Kira fall for him, then secure an

invite to meet her fiancé. From there, taking down the man who has been on the CIA high-value target list for over a decade would be easy. The hard part would be not developing real feelings for his beautiful target. With lives-and love-on the line, can Ty find a way to get the bad guy and keep the girl? Or will the price of completing the mission be his happily ever after with Kira? *Danger Signs* is the first novel of Quinn's newest series, *Delta Force Echo*, part of the *World of Iniquus*. Bizarre military history: In 1979, a crack commando unit was established by the most gifted minds within the U.S. Army. Defying all known laws of physics and accepted military practice, they believed that a soldier could adopt the cloak of invisibility, pass cleanly through walls, and—perhaps most chillingly—kill goats just by staring at them. They were the First Earth Battalion, entrusted with defending America from all known adversaries. And they really weren't joking. What's more, they're back—and they're fighting the War on Terror. An uproarious exploration of American military paranoia: With investigations ranging from the mysterious "Goat Lab," to Uri Geller's covert psychic work with the CIA, to the increasingly bizarre role played by a succession of U.S. presidents, this might just be the funniest, most unsettling book you will ever read—if only because it is all true and is still happening today. When a terrorist plot to bomb a nuclear plant in the United States threatens hundreds of thousands of lives, disgraced Delta Force operator Kolt Raynor goes deep undercover to infiltrate al Qaeda. By the best-selling author of *Kill Bin Laden*. 100,000 first printing. Will they stand together or will the love they still have for each other falter under the weight of revenge? *Jonah* Montgomery and Matt Garrett had it all: Army careers they loved; Team Panther, the men they bonded with as brothers, and each other. But under the shadow of *Don't Ask, Don't Tell*, everything fell apart when Matt was captured in Afghanistan. Now five years later, a terrorist seeking revenge has come for Jonah. Will Matt take the opportunity a sniper bullet provides? Can

Team Panther find their missing brother in time? Will they stand together or will the love they still have for each other falter under the weight of revenge? Does their compass really point to true love? The definitive insider's account of the U.S. Army's most elite and secretive special-ops unit, written by the legendary founder and first commanding officer of Delta Force *Wanted: Volunteers for Project Delta*. Will guarantee you a medal. A body bag. Or both. With this call to arms, Charlie Beckwith revolutionized American armed combat. Beckwith's acclaimed memoir tells the story of Delta Force ("the Army's most elite commando unit."—Los Angeles Times) as only its maverick creator could tell it—from the bloody baptism of Vietnam to the top-secret training grounds of North Carolina to political battles in the upper levels of the Pentagon itself. This is the heart-pounding, first-person, insider's view of the missions that made Delta Force legendary. Presents a look at Delta Force, a special operations unit of the United States Army, including information on its beginnings, assignments, and successful missions. A single night of romance in London was all either could commit to. Fate and love demanded more...much more. As a flight attendant, Rayne Jackson is used to cancellations, but she never dreamed her latest would lead to a whirlwind tour of London with a handsome stranger...or a life-altering night in his bed. One evening is all the enigmatic man can give her, and Rayne greedily takes it, despite suspecting it will never be enough. Heading home after another extreme mission, Keane "Ghost" Bryson hadn't planned to seduce someone during his layover, but Rayne is too sweet to resist. Being a Delta Force member means lying to protect his identity, which is unfortunate, considering Rayne seems made for Ghost, right down to the tattoo on her back. For the first time in his life, regret fills him as he slips away the following morning. Both are shocked when, months later, they meet again—under the worst possible circumstances. Seems fate has given them a second chance...if they can survive the terrorist situation they're in. If Rayne

can forgive Ghost his lies. And if Ghost can trust Rayne to be strong enough to endure the secrets and uncertainty that come with loving a Delta Force soldier. ** Rescuing Rayne is the 1st book in the Delta Force Heroes Series. Each book is a stand-alone, with no cliffhanger endings. --- Read what others are saying about New York Times bestselling author, Susan Stoker: "Susan Stoker is the master of military romantic suspense. Check out the Detective Shakespeare Mysteries for dark, intense psychological thrillers. Into the Templars? Then the Templar Detective Thrillers are for you! The Government made him Deadly, Vampires made him Immortal... A new hero and a new genre from Kindle bestselling author Alex

Shaw. Brad Black, call-sign 'Peter Pan' is a member of America's elite Delta Force unit. Tasked to recon a tunnel network in use by the Taliban it is just another day in the sandpit for the Delta Boys until something attacks them in the darkness. Presumed Killed in Action, Black is abducted by a shadowy figure before being forced to cross the inhospitable Afghan wilderness to be reunited with what is left of his team. Meanwhile a General from Russian Military Intelligence (GRU) arrives at Firebase Python bringing news of a Cold War weapons experiment so shocking that its existence has until now remained secret. Horrific secrets buried in the Afghan mountains for a quarter of a century are about to be unleashed. Master Sergeant (Ret.) George E. "Chik" Hand IV, better known as geo to the public. geo served for 10 years with the 1st Special Forces Operational Detachment-Delta, colloquially known as Delta Force. As the U.S. Army's premier counterterrorism, hostage rescue, and direct action Special Missions Unit (SMU), Delta Force has been at the tip of the spear of the American military ever since the Iranian hostage crisis in 1979. To serve there, a man has to climb physical and mental mountains; to remain there, a man has to show remarkable consistency and professionalism. Before his assignment to Delta, geo served in the 7th and 1st Special Forces Groups as a Green Beret. A rare wordsmith, geo is a master of the English language. But, it takes more than that to create a compelling memoir, especially one so heavily focused on others. Indeed, it takes empathy and emotional intellect. By empathizing with his subjects, geo puts you right next to them. You can see them breaching a door; you can smell their sweat after an operation; you can hear the radio chatter and the Little Bird helicopters whooping above; you can sense the joke that's about to crack and send everyone rolling; you can feel the pain of loss and the emptiness that death carves. That's why readers of all ages and walks of life rally around his stories. Her dreams kept her in Hawaii when most of her friends moved to the West Coast to follow theirs. He was on the island of

Kaua'i training with the other Deltas in his unit until he fell head over heels for the woman of his dreams. Ku'uipo Ornellas has been working most of her life. Starting as a professional hula dancer when she was a child, she just resigned from her job as hospitality coordinator for a large chain hotel to revive a hotel from Hawaii's silver screen past. Hoping to give young residents a practical place to learn their hospitality skills. But someone doesn't want the hotel to reopen and they're willing to take out their frustration on the young woman so dedicated to its success. Efrain 'Train' Figueroa is a man who loves his movies and tv shows, but within hours of meeting the young woman with a sweetheart of a name, he finds himself drawn into her single-minded goal of getting the hotel up and running. Especially because one of his acting idols filmed on the grounds. When the seamier side of Hawaii tries to take her dreams away, he's quick to jump in and help. He just can't seem to walk away from the beautiful young woman who calls to a part of his soul that has nothing to do with the ephemeral quality of movies and everything to do with the heart that beats hard and fast in his chest. There's no script that tells the tale of their love, but who can resist a beautiful heroine, a handsome hero, action, adventure, and love. Lots of love when 'Train' becomes a Hero for Ku'uipo. The most secret and elite of special forces groups, U.S. Army Delta Force fights terrorism, hunts down war criminals, and performs dangerous surveillance missions. Dangerous secrets force Caradine Scott on the run from Grizzly Harbor—with Alaska Force leader Isaac Gentry in hot pursuit—in the irresistible new romantic suspense from USA Today bestselling author Megan Crane. After an explosion that should have killed her, Caradine barely escaped her criminal family by leaving her old identity behind. These days she runs the Water's Edge Cafe in a rugged little town on the edge of nowhere, vowing never to let anyone close to her again. After his career in the military, Isaac is back home playing the part of an unassuming local in Grizzly Harbor, while also overseeing

Alaska Force's special ops work as the founder and commanding officer he once was in the Marines and beyond. He has better things to do than obsess over a woman who claims she hates him, but every glimpse he gets of the vulnerability beneath her prickly exterior is a distraction . . . and a challenge he can't ignore. When Caradine's demons catch up with her, her cafe isn't the only thing that blows up. Her past pushes them together, and closer to a future that's been waiting for them all this time. They just have to survive long enough to enjoy it. Now the inspiration for the CBS Television drama, "The Unit." Delta Force. They are the U.S. Army's most elite top-secret strike force. They dominate the modern battlefield, but you won't hear about their heroics on CNN. No headlines can reveal their top-secret missions, and no book has ever taken readers inside—until now. Here, a founding member of Delta Force takes us behind the veil of secrecy and into the action—to reveal the never-before-told story of 1st Special Forces Operational Detachment-D (Delta Force). He is a master of espionage, trained to take on hijackers, terrorists, hostage takers, and enemy armies. He can deploy by parachute or arrive by commercial aircraft. Survive alone in hostile cities. Speak foreign languages fluently. Strike at enemy targets with stunning swiftness and extraordinary teamwork. He is the ultimate modern warrior: the Delta Force Operator. In this dramatic behind-the-scenes chronicle, Eric Haney, one of the founding members of Delta Force, takes us inside this legendary counterterrorist unit. Here, for the first time, are details of the grueling selection process—designed to break the strongest of men—that singles out the best of the best: the Delta Force Operator. With heart-stopping immediacy, Haney tells what it's really like to enter a hostage-held airplane. And from his days in Beirut, Haney tells an unforgettable tale of bodyguards and bombs, of a day-to-day life of madness and beauty, and of how he and a teammate are called on to kill two gunmen targeting U.S. Marines at the Beirut airport. As part of the team sent to rescue

American hostages in Tehran, Haney offers a first-person description of that failed mission that is a chilling, compelling account of a bold maneuver undone by chance—and a few fatal mistakes. From fighting guerrilla warfare in Honduras to rescuing missionaries in Sudan and leading the way onto the island of Grenada, Eric Haney captures the daring and discipline that distinguish the men of Delta Force. Inside Delta Force brings honor to these singular men while it puts us in the middle of action that is sudden, frightening, and nonstop around the world. New York Times bestselling author and former Delta Force commander Dalton Fury (Black Site and Kill Bin Laden) is back with an explosive new thriller Former disgraced Delta Force commander Kolt "Racer" Raynor has earned his way back into The Unit after redeeming himself during an explosive operation at a black site in Pakistan. But he is about to face his deadliest challenge yet. The most wanted man in the world, American al Qaeda commander Daoud al Amriki, and his handpicked team of terrorist operatives, have acquired stores of Russian-built, shoulder-fired surface-to-air missiles (SAM's) from ex-Libyan spies in Cairo. Their mission: infiltrate the United States and take down American aircraft. The country's best are tasked with stopping them. But when a SEAL Team Six mission to take down al Amriki goes wrong, Major Raynor and his Delta Force team find themselves front and center as Amriki and his terrorists work their way closer to America. And time is running out. Dramatic and revealing, Tier One Wild takes readers on an international thrill ride from the black ops nerve center of JSOC to the bloody streets of Cairo in a story only a former Delta Force commander could tell. One of the most highly regarded Tier One Delta Force operators in American military history shares his war stories and personal battle with PTSD. As a senior non-commissioned officer of Delta Force, the most elite and secretive special operations unit in the U.S. military, Command Sergeant Major Tom Satterly fought some of this country's most fearsome enemies. Over the course of twenty years

and thousands of missions, he's fought desperately for his life, rescued hostages, killed and captured terrorist leaders, and seen his friends maimed and killed around him. All Secure is in part Tom's journey into a world so dark and dangerous that most Americans can't contemplate its existence. It recounts what it is like to be on the front lines with one of America's most highly trained warriors. As action-packed as any fiction thriller, All Secure is an insider's view of "The Unit." Tom is a legend even among other Tier One special operators. Yet the enemy that cost him three marriages, and ruined his health physically and psychologically, existed in his brain. It nearly led him to kill himself in 2014; but for the lifeline thrown to him by an extraordinary woman it might have ended there. Instead, they took on Satterly's most important mission-saving the lives of his brothers and sisters in arms who are killing themselves at a rate of more than twenty a day. Told through Satterly's firsthand experiences, it also weaves in the reasons-the bloodshed, the deaths, the intense moments of sheer terror, the survivor's guilt, depression, and substance abuse-for his career-long battle against the most insidious enemy of all: Post Traumatic Stress. With the help of his wife, he learned that by admitting his weaknesses and faults he sets an example for other combat veterans struggling to come home. "The Cannon Film Guide is the greatest book anyone could ever write about the greatest movie studio that ever was. And is." —Mike McPadden, author of Teen Movie Hell and Heavy Metal Movies

The Cannon Film Guide Volume I explores forty films and franchises produced by The Cannon Group, the most prolific b-movie studio of the 1980s, during the company's first five years under the command of cult film legends Menahem Golan and Yoram Globus. Through in-depth studies and behind-the-scenes stories from the people who made them, this volume examines such beloved, VHS-era classics as the Breakin', Missing in Action, Hercules, and Death Wish movies, Revenge of the Ninja, Ninja III: The Domination, The Apple, Bolero, Exterminator 2, The Last

American Virgin, and many more. "If you're a fan of Cannon films, or even not a fan, you will be fascinated by Austin Trunick's deep dive into the studio's output. This is an under-reported part of cinema history and this book will delight both film buffs and casual devotees of action-packed movies. This book added to my knowledge, not to mention my testosterone level." —Frank Conniff, comedian, TV's Mystery Science Theater 3000" A joyful, knowledgeable ode to one of the great film companies of all time, a sprawling epic full of fun stories, interviews, and images, and it delivers on its promise to be the ultimate guide to The Cannon Group and their releases." —david j. moore, author of The Good, the Tough, and the Deadly and World Gone Wild Rucker Sloan, thinks all he's good for is a fighting, killing machine. Long-term relationships are out of the question. Until he meets a nurse who'd risk her life for someone she doesn't know... After her mother died of a broken heart, nurse Nora Michaels joined the Army to do something to help others and to escape her sad memories. Deployed to Afghanistan, she hopes she's making a difference, especially when she treats a cranky wounded soldier who just might be more broken than she is. When the local orphanage where she volunteers is overrun by Taliban, Nora and the little orphan girls are kidnapped and taken into the hills where they are to be sold to sex traffickers. They need a miracle to save them. Rucker and his team receive intel on the location of the nurse and children taken from the orphanage. In an operation to save them, Rucker and Nora are separated from the others and must traverse enemy territory to find their way back to safety. Along the way, they learn to rely on and trust each other, discovering a passion they never expected to find in the harsh hills of a war-torn country. Ben "Midas" Gates is the leader of his Delta Force team and is leading a mission to shut down a known terrorist working out of Panama and rescue hostages. When he arrives he discovers the mission is anything but easy and becomes even more complicated because he knows one of the hostages. It

was a woman he had been in love with growing up and ran away from thirteen years ago. The mission isn't a complete failure but the team discovers someone set them up to fail and they don't take failure as an option. With the aid of Hannah who has inside information on their terrorist and who may know who set them up, Ben does all in his power not to fall for the only woman he has ever loved. A novella companion to the bestselling Delta Force series In Dalton Fury's All Lines Black, Syrian militant leader Abu Hamam al-Suri wants to defect from ISIS—an action which will in all likelihood bring about the end of the insurgency. He just wants one thing first. The head of the American commando who killed his son in a raid two years ago. Newly-appointed Secretary of State Bill Mason isn't above sacrificing American lives to satisfy his ambition, so when al-Suri's back-channeled demand falls in his lap, he senses an opportunity to settle the score with his old nemesis, Delta Force squadron commander Kolt "Racer" Raynor. When Raynor gets the order to lead a mission into Syria to bag the new ISIS money man, his gut tells him something is fishy, especially since he has been ordered to personally lead the mission. Raynor doesn't mind leading from the front. In fact, he prefers it. But as soon as the assault team is on the ground, Kolt knows his gut instinct was dead on. The mission is a setup, an ambush intended to take out Raynor and his men. Now Raynor has a new mission: Find out who set him up and why. But to do that, Raynor and the Delta team will have to run the gauntlet—an entire city controlled by enemy fighters. New York Times bestselling author Dalton Fury is a former Delta Force operator, and he brings authenticity to his Delta Force series following Delta Force operator Kolt Raynor. In Black Site, Kolt Raynor is trying to make sense of his life--and duty--after a secret mission gone bad. Now he has a shot at redemption: find his missing men in Pakistan's badlands and bring them home. In Tier One Wild, American al Qaeda commander Daoud al Amriki plans to infiltrate the United States and take down

American aircraft. Major Raynor and his Delta Force team find themselves front and center as Amriki and his terrorists work their way closer to America. In Full Assault Mode, Kolt Raynor must infiltrate al Qaeda and prevent this deep-cover terror cell from detonating a bomb inside one of the sixty-four commercial nuclear power plants in the U.S. A special operations force of the Army, Delta Force performs many important missions during wartime and peacetime. Young readers will learn why this special force remains top secret, what kinds of missions Deltas go on, and what it is like to be a Delta. The only insider's account ever written on America's most powerful weapon in the war against terrorism. Renowned cryptologist Noelle Blanche refuses to have blood on her hands. So when the military asks for her help in a covert operation, she refuses--until masked gunmen raid her home and threaten her life. Suddenly it's all too clear that any blood spilled may be her own. Noelle has no choice but to trust the dangerous stranger sent by the military to safeguard her. A stranger who is everything she detests, everything she fears...and everything she desires. Former Delta Force operative David Wolfe thought he had left it all behind--the horror, the hurt, the guilt. But now the men who savagely murdered his wife have set their sights on a brilliant cryptologist who can lead them to the cache of weapons they prize. As passion ignites between David and the woman he's sworn to protect, what began as just a mission escalates into the fight of his life. But can he prevent history from repeating itself? Go on a mission to learn about Delta Force through infographics, closely leveled text, and dynamic photos. Meeting the right person is rare, but when the opportunity calls...you answer. Aspen "Blade" Carlisle is the last of his Delta Force team to find love...and he's pretty bummed about that fact. Which might explain why he finds himself chatting up a telemarketer as if she's a long-lost friend. But Wendy is surprisingly easy to talk to, so when they go from occasional calls during her work, to nightly conversations on their cells, it somehow feels right. So

right, Blade eventually convinces the funny, sweet woman to meet him in person. When their first face-to-face meeting gets high-jacked, Wendy Tucker is sure she and Aspen made a big mistake in taking their relationship to the next level. But the man is nothing if not persistent. Before long, Wendy's allowing the handsome soldier to spend more time with her and Jack, the teen brother she's raising, than anyone she's ever dated. Though she knows there are limits to how close she can get to Aspen, no matter how much she likes him. Limits carefully constructed to protect Wendy and Jack from a past they've been running from for years. But dating Blade means having an entire team of Deltas at her back. Which may come in handy not just with Wendy's past...but also when her brother faces a current threat. **Rescuing Wendy is the 8th book in the Delta Force Heroes Series. Each book is a stand-alone, with no cliffhanger endings. --- Read what others are saying about New York Times bestselling author, Susan Stoker: "Susan Stoker is the master of military romantic suspense. Everyone thinks Harper Jansen is dead. She is not, and she wants her life back. When Harper—very much alive but terrified—calls Kade Church, he does what is programmed in his DNA: he protects. Delta Force operator Kade and Duke, his military K-9 school flunker, have the skills to keep Harper safe. Kade has never allowed himself to think of Harper as more than his best friend, but as they join forces to

bring the men who tried to kill her to justice, long-buried feelings surface. And Duke may be a goofball and see everything as a game, but when it counts, he proves he's more than a boot camp dropout. Whatever it takes, they'll save the woman Kade is falling in love with.

K-9 Defenders Book 1: In His Protection Book 2: Her Delta Force Protector Book 3: To Hold and Protect Operation K-9 Brothers Book 1: Operation K-9 Brothers Book 2: Keeping Guard Book 3: Mountain Rescue • Maps and strategies for the massive multiplayer battles • Multiplayer tactics from the people that made the game • Expert combat tips for the single-player campaign • Complete breakdown of your entire arsenal • Full-color maps of Mogadishu combat hotspots • Covers both the Xbox and PlayStation2 editions!

"Scot believes that his life of perceived struggle and unfortunate circumstances are the RULE in today's society, not the exception, with that said, Scot says "I am the average American that has suffered the common problems of the world at large, but what makes me different is how I ended up after going through these problems". Scot believes that there is hope for all who choose to take responsibility for their life's present circumstances, and get into action, which is what this book is focused on."--Cover.

A first entry in a new series by the best-selling author of Kill Bin Laden finds Delta Force operator Kolt Raynor seeking redemption by attempting the rescue of teammates he caused to be captured three years earlier, a mission that leads to his discovery of an al Qaeda plot to take over a secret U.S. military prison. The New York Times Bestseller and Winner of the 2015 Army Historical Foundation Distinguished Writing Award for Unit History Since the attacks of September 11, one organization has been at the forefront of America's military response. Its efforts turned the tide against al-Qaida in Iraq, killed Bin Laden and Zarqawi, rescued Captain Phillips and captured Saddam Hussein. Its commander can direct cruise missile strikes from nuclear submarines and conduct special operations raids anywhere in the world. Relentless Strike tells the inside story of

Joint Special Operations Command, the secret military organization that during the past decade has revolutionized counterterrorism, seamlessly fusing intelligence and operational skills to conduct missions that hit the headlines, and those that have remained in the shadows-until now. Because JSOC includes the military's most storied special operations units-Delta Force, SEAL Team 6, the 75th Ranger Regiment-as well as America's most secret aviation and intelligence units, this is their story, too. Relentless Strike reveals tension-drenched meetings in war rooms from the Pentagon to Iraq and special operations battles from the cabin of an MH-60 Black Hawk to the driver's seat of Delta Force's Pinzgauer vehicles as they approach their targets. Through exclusive interviews, reporter Sean Naylor uses his unique access to reveal how an organization designed in the 1980s for a very limited mission set transformed itself after 9/11 to become the military's premier weapon in the war against terrorism and how it continues to evolve today. This title introduces readers to Marine Force Recon. Engaging text explores the Force Recon Marines's history, key missions, role in the US military, major accomplishments, required training, weapons, gear, technology, and other fascinating information. The Force Recon creed, requirements needed to join Force Recon, training such as the Recon Indoctrination Program and the three phases of Basic Reconnaissance Course, the life of a Force Recon marine, and cutting-edge technology and weapons are covered. Sidebars, infographics, action photos, maps, and a glossary enhance readers' understanding of this topic. Additional features include a table of contents, an index, a timeline and extreme facts. Aligned to Common Core Standards and correlated to state standards. Checkerboard Library is an imprint of Abdo Publishing, a division of ABDO. *** FROM USA TODAY & MILLION COPY BESTSELLING AUTHOR J. ROBERT KENNEDY *** THEY THOUGHT WE WOULDN'T DARE. THEY NEVER COUNTED ON DELTA. An engine failure during a hurricane causes an American yacht to wash up

on the shores of Cuba, triggering an international incident. For this is no ordinary boat. It is a testing platform for cutting edge electronic surveillance equipment. By the time the lost boat is located, it is too late—the Cubans have already found it. This can't stand, and Bravo Team, members of the elite Delta Force, are sent in to destroy the equipment before it can be sold to America's enemies by a Communist regime desperate for foreign capital. The stakes have never been higher, and failure is not an option. If the experimental technology falls into the wrong hands, it could compromise America's security for years, and give its enemies the upper hand. In *The Cuban Incident*, award winning USA Today and million copy bestselling author J. Robert Kennedy once again delivers an action-packed pulse-pounding international thriller, sure to leave you burning through the pages into the late hours. If you thrive on big action, then you'll love it when America unleashes the Delta Force on its enemies. Get your copy of *The Cuban Incident* now, and see what happens when America once again asks its heroes to protect its interests against overwhelming odds... USA Today bestselling author J. Robert Kennedy's novels are ideal for fans of Dan Brown, Clive Cussler, James Rollins, Tom Clancy, and James Patterson, and those who enjoy intense action and intrigue with a healthy dose of humor and a touch of romance. Readers interested in action adventure, archaeological mysteries, historical fiction, men's adventure, conspiracies and ancient mysteries, will love the James Acton Thrillers. If spies and espionage is your thing, then check out the CIA Special Agent Dylan Kane Thrillers for riveting tradecraft action. And for those who prefer the team approach and Special Forces, check out the Delta Force Unleashed series for exciting military thrills. Or maybe you just feel like a mystery? Check out the Detective Shakespeare Mysteries for dark, intense psychological thrillers. Into the Templars? Then the Templar Detective Thrillers are for you! When a Predator drone is hijacked by Taliban forces and used to kill US

marines, Major Nathan Connor and his Delta Force unit are deployed to destroy it. The only problem is Connor must also keep a promise -- to find and protect his dead friend's son, Hassan. Delta Force burst into action to track down the Predator drone and Hassan before it's too late, and before more innocent blood is spilt... Explosive action and a thrilling, high-paced read is guaranteed in these gritty war adventures, which follow the behind-enemy-lines exploits of a squad from the US special combat unit known as "Delta Force". Craig Simpson is the author of the critically acclaimed "Special Operations" series. This title is published by Franklin Watts EDGE, which produces a range of books to get children reading with confidence. EDGE - for books kids can't put down. As an event planner, Gillian Romano's an expert at rolling with the punches and solving unexpected problems. But her flight getting hijacked while returning from a job is definitely out of her skill set. Passengers are being murdered, and when she's chosen by the terrorists to be their mouthpiece, even more innocent lives rest on Gillian's shoulders. Only the calm, reassuring voice on the other end of the line keeps her sane, forging a bond with a stranger she's never seen but trusts with her life. Walker "Trigger" Nelson and his Delta Force team have spent years training for close-quarter hostage rescue. When they get called to South America to attempt to save an airplane full of hostages, he doesn't expect to meet a woman who rocks his world in the middle of the op. Gillian's cool head and bravery in the face of certain terror-and possible death-blows him away. Any outcome that doesn't include Gillian leaving that plane alive and well is not an option. After their safe return to Texas, both Trigger and Gillian are excited to find out if their instant chemistry can survive the real world. Neither realizing that someone isn't happy with the outcome of the hijacking, and is watching, waiting, for a second chance to strike. ** Shielding Gillian is the 1st book in the Delta Team Two Series. Each book is a stand-alone, with no cliffhanger endings.
