The memoir of a man and woman who escaped into the forest, joined the Jewish partisans—and fell in love—as Hitler laid waste to their Polish hometowns. Jack and Rochelle first met at a youth dance in Poland before the war. They shared one dance, and Jack stepped on Rochelle’s shoes. She was unimpressed. When the Nazis invaded eastern Poland in 1941, both Jack (in the town of Mir) and Rochelle (in the town of Stolpce) witnessed the horrors of ghettoization, forced labor, and mass killings that decimated their families. Jack and Rochelle managed, in their separate ways, to escape into the forest. They reunited, against all odds, in the winter of 1942–43 and became Jewish partisans who fought back against the Nazis. The couple’s careful courtship soon blossomed into an enduring love that sustained them through the raging hatred of the Holocaust and the destruction of the lives they had known. Jack and Rochelle’s story, told in their own voices through extensive interviews with their son, Lawrence, has been in print for twenty years and is celebrated as a classic of Holocaust memoir literature. This is the first electronic edition. “A story of heroism and of touching romance in a time of fear and danger.” —USA Today

This book is a survey of typical Science Fiction elements in Douglas Adams's Hitchhiker's Guide to the Galaxy. Christian Erkenbrecher first goes through a short history of Science Fiction and identifies certain motifs of the genre in order to correctly place the novel within a useful context. Classical elements of the Science Fiction canon are identified in the novel and scrutinized. It becomes clear that Douglas Adams was fully aware of the SF "burden" and we can see how its elements are used in order to create both humour and criticism. The question of whether social criticism can be applied purposefully in SF will be asked. Other big questions which are posed (and answered?) in Hitchhikers are also taken into consideration: Is there a god? Will the breakdown of communication barriers between races put an end to all wars? Can the advancement of technology prevent us from destroying ourselves? Follow the author on his way through Douglas Adams's "wholly remarkable book" and see how this exceptional hitchhiking playwright and atheist writer enriched the world with his unique prose.
