Dead Sleep Jan 31 2021 A
woman comes face-to-face with

a serial killer who glorifies the art of death in this “ingenious”* thriller from the #1 New York Times bestselling author of the Penn Cage series. They are called “The Sleeping Women.” A series of unsettling paintings in which the nude female subjects appear to be not asleep, but dead.

Photojournalist Jordan Glass has another reason to find the paintings disturbing...The face on one of the nudes is her own—or perhaps the face of her twin sister, who disappeared and is still missing. At the urging of the FBI, Jordan becomes both hunter and hunted in a search for the anonymous artist—an obsessed killer who seems to know more about Jordan and her family than she is prepared to face...

Beach Road Feb 18 2020 Dark mysteries come to East Hampton while a struggling lawyer fights to save his friend from being framed for a triple murder. Montauk lawyer Tom Dunleavy's client list is woefully small-occasional real estate closings barely keep him

in paper clips. So when he is hired to defend a local man accused in a triple murder in East Hampton, he knows that he has found the case of his lifetime. The crime turns the glittering playground for the super-rich into a blazing inferno. Dunleavy's client is a local hero, but he knows the case rests on money, deception, and forbidden desires. His client will be framed-unless he can find the key to the case. When Dunleavy is joined by his former flame, the savvy and well-connected attorney, Kate Costello, he believes he has a chance. But payback is a bitch, especially from the rich. The violent retaliations of billionaires threatened by his investigation exceed anything Dunleavy has ever seen. With the entire nation's eyes on him in a new Trial of the Century, Dunleavy orchestrates a series of revelations that lead to a stunning outcome-and the truth is wilder than anything he ever imagined.

The perfect blend of riveting characters, chilling details, and gasping twists in this standout thriller will keep you frantically reading until the explosive end." - Lisa Gardner, New York Times bestselling author of Right Behind You This is the story of three best friends: one who was

murdered, one who went to prison, and one who's been searching for the truth all these years . . . When she was sixteen years old, Angela Wong—one of the most popular girls in school—disappeared without a trace. Nobody ever suspected that her best friend, Georgina Shaw, now an executive and rising star at her Seattle pharmaceutical company, was involved in any way. Certainly not Kaiser Brody, who was close with both girls back in high school. But fourteen years later, Angela Wong's remains are discovered in the woods near Geo's childhood home. And Kaiser—now a detective with Seattle PD—finally learns the truth: Angela was a victim of Calvin James. The same Calvin James who murdered at least three other women. To the authorities, Calvin is a serial killer. But to Geo, he's something else entirely. Back in high school, Calvin was Geo's first love. Turbulent and often volatile, their relationship bordered on obsession from the moment they met right up until

the night Angela was killed. For fourteen years, Geo knew what happened to Angela and told no one. For fourteen years, she carried the secret of Angela's death until Geo was arrested and sent to prison. While everyone thinks they finally know the truth, there are dark secrets buried deep. And what happened that fateful night is more complex and more chilling than anyone really knows. Now the obsessive past catches up with the deadly present when new bodies begin to turn up, killed in the exact same manner as Angela Wong. How far will someone go to bury her secrets and hide her grief? How long can you get away with a lie? How long can you live with it? Find out in Jennifer Hillier's *Jar of Hearts*.

The Quiet Game Jul 17 2022
INTRODUCING PENN CAGE...
From the author of *Cemetery Road* comes the first intelligent, gripping thriller in the #1 New York Times bestselling Penn Cage series. Natchez, Mississippi. Jewel of the South. City of old money

and older sins. And childhood home of Houston prosecutor Penn Cage. In the aftermath of a personal tragedy, this is where Penn has returned for solitude. This is where he hopes to find peace. What he discovers instead is his own family trapped in a mystery buried for thirty years but never forgotten—the town's darkest secret, now set to trap and destroy Penn as well. True evil Jan 23 2023 The idyllic life of busy Natchez doctor Chris Shepard is turned upside down when undercover FBI agent Alex Morse recruits him for a case involving a local divorce attorney who is suspected of murdering the spouses of his clients. *Southern Man* Nov 28 2020 The hugely anticipated new Penn Cage novel from the #1 New York Times bestselling author of the Natchez Burning trilogy and *Cemetery Road*, about a man--and a town--rocked by anarchy and tragedy, but unbowed in the fight to save those they love. Fifteen years after the events of the Natchez Burning trilogy, Penn

Cage is alone. Nearly all his loved ones are dead, and his old allies gone. Pursued by enemies and demoralized by a divided community, he's found sanctuary on a former cotton plantation above the Mississippi River. But Penn's self-imposed exile comes to an abrupt end when a brawl at a Bienville rap concert triggers a shooting--one that nearly takes the life of his daughter Annie. Before the stunned city can process the tragedy, an arsonist starts torching antebellum plantation homes in Natchez and Bienville. When an unknown Black radical group claims the deadly fires as acts of historic justice, citywide panic ensues, driving a prosperous Southern town to the brink of race war. Drafted by Bienville's mayor to end the crisis and restore peace, Penn investigates the fires as casualties mount and armed marchers move toward a decisive clash. But Penn suspects that the arson attacks may not be what they seem--not retribution by radicals, but false-flag strikes designed to

trigger the very chaos he sees roiling the streets. For that mayhem provides state and county leaders the excuse to dissolve the Black-run Bienville city government and seize control. It's up to Penn and a band of locals to uncover the truth and expose those trying to destabilize the city. In *Southern Man*, Greg Iles returns to the riveting style and historic depth that made the *Natchez Burning* trilogy a searing masterpiece and hurls the narrative fifteen years forward into our current moment--where America teeters on the fence between anarchy and salvation.

A White Wind Blew Oct 16 2019 "Compelling and thought-provoking." —John Burnham Schwartz, author of *Reservation Road* When the body fails, you've got two choices. Send the doctor in, or send a prayer up. But when no miracle arrives, how do you pull out a measure of hope? Dr. Wolfgang Pike would love nothing more than to finish the requiem he's composing for his late wife, but the ending seems

as hopeless as the patients dying a hundred yards away at the Waverly Hills Tuberculosis sanatorium. If he can't ease his own pain with music, he tries to ease theirs — but his boss thinks music is a waste, and in 1920s Louisville, the specter of racial tensions looms over everything. When a retired concert pianist arrives, Wolfgang is thrust into an orchestra of the most extraordinary kind that emerges to change everything.

The miracle cure establishes de Grey as a rising star within the industry. But as the years pass, she and her husband, Dr. Jordan, begin to realize that her bosses are driven not by the desire to eradicate disease, but by greed. Why did the secret intelligence agencies of every major power want it? Why was a brave and beautiful woman kidnapped and sexually tormented to get

The Triumph of the Thriller

Dec 30 2020 There's been a revolution in American popular fiction. The writers who dominated the bestseller lists a generation ago with blockbuster novels about movie stars and exotic foreign lands have been replaced by a new generation writing a new kind of bestseller, one that hooks readers with crime, suspense, and ever-increasing violence. Patrick Anderson, The Washington Post's man on the thriller beat, calls this revolution "the triumph of the thriller," and lists among its stars Thomas Harris, Michael Connelly, George Pelecanos, Dennis Lehane, Sue Grafton, and Elmore Leonard. In his provocative, caustic, and often hilarious survey of today's popular fiction, Anderson shows us who the best thriller writers are—and the worst. He shows how Michael Connelly was inspired by Raymond

Chandler, how George Pelecanos toiled in obscurity while he mastered his craft, how Sue Grafton created the first great woman private eye, and how Thomas Harris transformed an insane cannibal into the charming man of the world who made FBI agent Clarice Starling his lover. Anderson shows Scott Turow inventing the modern legal thriller and John Grisham translating it into a stunning series of bestsellers. He casts a cold eye on Tom Clancy's militaristic techno-thrillers, and praises Alan Furst and Robert Littell as world-class spy novelists. He examines the pioneering role of Lawrence Sanders, the offbeat appeal of Dean Koontz, the unprecedented success of *The Da Vinci Code*, and the emergence of the literary thriller. Most of all, Anderson demands that the best of these novelists be given their due—not as genre writers, but as some of the most talented men and women at work in American fiction. Don't trust the literary elites to tell you

what to read, he warns—make up your own minds. *The Triumph of the Thriller* will convince many readers that we've entered an important new era in popular fiction. This book can be your guide to it.

Black Cross Jun 16 2022 From the #1 New York Times bestselling author of the Penn Cage series comes a gripping World War II thriller that “vaporizes almost every cliché about the limits of the genre...[it's] good enough to read twice” (Kirkus Reviews). It is January 1944—and as Allied troops prepare for D-Day, Nazi scientists develop a toxic nerve gas that will repel and wipe out any invasion force. To salvage the planned assault, two vastly different but equally determined men are sent to infiltrate the secret concentration camp where the poison gas is being perfected on human subjects. Their only objective: destroy all traces of the gas and the men who created it—no matter how many lives may be lost...including their own.

Turning Angel May 15 2022

The #1 New York Times bestselling author of *Mississippi Blood*, Greg Iles, keeps the secrets of the South alive in this vibrant novel of infatuation, murder, and sexual intrigue set in his hometown of Natchez, Mississippi. Turning Angel marks the long-awaited return of Penn Cage, the lawyer hero of *The Quiet Game*, and introduces Drew Elliott, the highly respected doctor who saved Penn's life in a hiking accident when they were boys. As two of the most prominent citizens of Natchez, Drew and Penn sit on the school board of their alma mater, St. Stephen's Prep. When the nude body of a young female student is found near the Mississippi River, the entire community is shocked—but no one more than Penn, who discovers that his best friend was entangled in a passionate relationship with the girl and may be accused of her murder. On the surface, Kate Townsend seems the most unlikely murder victim imaginable. A star student and athlete, she'd been accepted to

Harvard and carried the hope and pride of the town on her shoulders. But like her school and her town, Kate also had a secret life—one about which her adult lover knew little. When Drew begs Penn to defend him, Penn allows his sense of obligation to override his instinct and agrees. Yet before he can begin, both men are drawn into a dangerous web of blackmail and violence. Drew reacts like anything but an innocent man, and Penn finds himself doubting his friend's motives and searching for a path out of harm's way. More dangerous yet is Shad Johnson, the black district attorney whose dream is to send a rich white man to death row in Mississippi. At Shad's order, Drew is jailed, the police cease hunting Kate's killer, and Penn realizes that only by finding Kate's murderer himself can he save his friend's life. With his daughter's babysitter as his guide, Penn penetrates the secret world of St. Stephen's, a place that parents never see, where reality veers so radically from

appearance that Penn risks losing his own moral compass. St. Stephen's is a dark mirror of the adult world, one populated by steroid-crazed jocks, girls desperate for attention, jaded teens flirting with nihilism, and hidden among them all—one true psychopath. It is Penn's journey into the heart of his alma mater that gives *Turning Angel* its hypnotic power, for on that journey he finds that the intersection of the adult and nearly adult worlds is a dangerous place indeed. By the time Penn arrives at the shattering truth behind Kate Townsend's death, his quiet Southern town will never be the same.

Natchez Burning (Penn Cage, Book 4) May 03 2021 ‘Extraordinarily entertaining and fiendishly suspenseful’ (Stephen King). The stunning

new Penn Cage thriller in which a shocking murder from the 1960s finds new life - and victims - in the present.

Mississippi Blood Nov 09 2021 The #1 New York Times Bestseller GoodReads Choice Award semi finalist, Amazon Best Mysteries & Thrillers of 2017 selection The final installment in the epic Natchez Burning trilogy by Greg Iles “Natchez Burning is extraordinarily entertaining and fiendishly suspenseful. I defy you to start it and find a way to put it down; as long as it is, I wished it were longer. . . . This is an amazing work of popular fiction.” — Stephen King “One of the longest, most successful sustained works of popular fiction in recent memory... Prepare to be surprised. Iles has always been an exceptional storyteller, and he has invested these volumes with an energy and sense of personal urgency that rarely, if ever, falter.” — Washington Post The endgame is at hand for Penn Cage, his family, and the enemies bent on destroying them in this revelatory volume

in the epic trilogy set in modern-day Natchez, Mississippi—Greg Iles's epic tale of love and honor, hatred and revenge that explores how the sins of the past continue to haunt the present. Shattered by grief and dreaming of vengeance, Penn Cage sees his family and his world collapsing around him. The woman he loves is gone, his principles have been irrevocably compromised, and his father, once a paragon of the community that Penn leads as mayor, is about to be tried for the murder of a former lover. Most terrifying of all, Dr. Cage seems bent on self-destruction. Despite Penn's experience as a prosecutor in major murder trials, his father has frozen him out of the trial preparations--preferring to risk dying in prison to revealing the truth of the crime to his son. During forty years practicing medicine, Tom Cage made himself the most respected and beloved physician in Natchez, Mississippi. But this revered Southern figure has secrets known only to himself and a

handful of others. Among them, Tom has a second son, the product of an 1960s affair with his devoted African American nurse, Viola Turner. It is Viola who has been murdered, and her bitter son--Penn's half-brother--who sets in motion the murder case against his father. The resulting investigation exhumes dangerous ghosts from Mississippi's violent past. In some way that Penn cannot fathom, Viola Turner was a nexus point between his father and the Double Eagles, a savage splinter cell of the KKK. More troubling still, the long-buried secrets shared by Dr. Cage and the former Klansmen may hold the key to the most devastating assassinations of the 1960s. The surviving Double Eagles will stop at nothing to keep their past crimes buried, and with the help of some of the most influential men in the state, they seek to ensure that Dr. Cage either takes the fall for them, or takes his secrets to an early grave. Unable to trust anyone around him--not even his own mother--Penn joins

forces with Serenity Butler, a famous young black author who has come to Natchez to write about his father's case. Together, Penn and Serenity battle to crack the Double Eagles and discover the secret history of the Cage family and the South itself, a desperate move that risks the only thing they have left to gamble: their lives. *Mississippi Blood* is the enthralling conclusion to a breathtaking trilogy seven years in the making--one that has kept readers on the edge of their seats. With piercing insight, narrative prowess, and a masterful ability to blend history and imagination, Greg Iles illuminates the brutal history of the American South in a highly atmospheric and suspenseful novel that delivers the shocking resolution his fans have eagerly awaited.

Sometimes the price of justice is a good man's soul. The #1 New York Times bestselling author of the Natchez Burning trilogy returns with an electrifying tale of friendship, betrayal, and shattering secrets that threaten to destroy a small Mississippi town. "An ambitious stand-alone thriller that is both an absorbing crime story and an in-depth exploration of grief, betrayal and corruption... Iles's latest calls to mind the late, great Southern novelist Pat Conroy. Like Conroy, Iles writes with

passion, intensity and absolute commitment." — Washington Post
When Marshall McEwan left his Mississippi hometown at eighteen, he vowed never to return. The trauma that drove him away spurred him to become one of the most successful journalists in Washington, DC. But as the ascendancy of a chaotic administration lifts him from print fame to television stardom, Marshall discovers that his father is terminally ill, and he must return home to face the unfinished business of his past. On arrival, he finds Bienville, Mississippi very much changed. His family's 150-year-old newspaper is failing; and Jet Talal, the love of his youth, has married into the family of Max Matheson, one of a dozen powerful patriarchs who rule the town through the exclusive Bienville Poker Club. To Marshall's surprise, the Poker Club has taken a town on the brink of extinction and offered it salvation, in the form of a billion-dollar Chinese paper mill. But on the verge of the

deal being consummated, two murders rock Bienville to its core, threatening far more than the city's economic future. An experienced journalist, Marshall has seen firsthand how the corrosive power of money and politics can sabotage investigations. Joining forces with his former lover—who through her husband has access to the secrets of the Poker Club—Marshall begins digging for the truth behind those murders. But he and Jet soon discover that the soil of Mississippi is a minefield where explosive secrets can destroy far more than injustice. The South is a land where everyone hides truths: of blood and children, of love and shame, of hate and murder—of damnation and redemption. The Poker Club's secret reaches all the way to Washington, D.C., and could shake the foundations of the U.S. Senate. But by the time Marshall grasps the long-buried truth about his own history, he would give almost anything not to have to face it.

NEW YORK TIMES BEST SELLER • In 1970, Willie Traynor comes to Clanton, Mississippi, in a Triumph Spitfire and a fog of vague ambitions. The Deepest South of All Jul 05 2021 Bestselling travel writer Richard Grant offers an entertaining and profound look at a city like no other. Natchez, Mississippi, once had more millionaires per capita than anywhere else in America, and its wealth was built on slavery and cotton. Today it has the greatest concentration of antebellum mansions in the South, and a culture full of unexpected contradictions. Prominent white families dress up in hoopskirts and Confederate uniforms for ritual celebrations of the Old South, yet Natchez is also progressive enough to elect a gay black man for mayor with 91% of the vote. Much as John Berendt did for Savannah in *Midnight in the Garden of Good and Evil* and the hit podcast *S-Town* did for Woodstock, Alabama, so Richard Grant does for Natchez in *The Deepest South of All*.

With humor and insight, he depicts a strange, eccentric town with an unforgettable cast of characters. There's Buzz Harper, a six-foot-five gay antique dealer famous for swanning around in a mink coat with a uniformed manservant and a very short German bodybuilder. There's Ginger Hyland, "The Lioness," who owns 500 antique eyewash cups and decorates 168 Christmas trees with her jewelry collection. And there's Nellie Jackson, a Cadillac-driving brothel madam who became an FBI informant about the KKK before being burned alive by one of her customers. Interwoven through these stories is the more somber and largely forgotten account of Abd al Rahman Ibrahima, a West African prince who was enslaved in Natchez and became a cause célèbre in the 1820s, eventually gaining his freedom and returning to Africa. Part history and part travelogue, *The Deepest South of All* offers a gripping portrait of a complex American place, as it struggles to break free

from the past and confront the legacy of slavery.
