The Last Road Race Mar 06 2021 The story of the 1957 Pescara Grand Prix - the last race of the heroic age of motor racing There has been much talk of how Grand Prix motor racing has become rather dull with big name, big brand winners ousting out all competition. But it wasn't always so. Once a romantic sport, motor sport produced heroes whose where individual skill and daring were paramount. The 1957 Pescara Grand Prix marked the end of an era in motor racing. Sixteen cars and drivers raced over public roads on the Adriatic coast in a three-hour race of frightening speed and constant danger. Stirling Moss won the race, beating the great Juan Manuel Fangio (in his final full season) and ending years of supremacy by the Italian teams of Ferrari and Maserati. Richard Williams brings this pivotal race back to life, reminding us of how far the sport has changed in the intervening fifty years. The narrative includes testaments from the four surviving drivers who competed - Stirling Moss, Tony Brooks, Roy Salvadori and Jack Brabham.

[Landholders of Northeastern New York, 1739-1802](#) Aug 31 2020 This work forms a directory of all participants in all land sales and mortgage agreements in northeastern New York between 1739 and 1802. The area covered includes all land within the present-day counties of Clinton, Essex, Franklin, Warren, and Washington. The first part of the volume identifies original grantees, persons awarded land in the area between 1739 and 1775. The second part, and by far the largest, identifies about 9,000 landholders--grantees, grantors, mortgagees and mortgagors--whose land records were filed between 1772 and 1802 in the deed and mortgage books of Washington, Clinton, or Essex counties

Ford GT Jun 28 2020 Get the whole story on the car built to beat the world--Ford's GT. Henry Ford II, "the Deuce," wanted a race car capable of winning top-flight sports car events in Europe. Specifically, he wanted to win Le Mans. Ford learned that Enzo Ferrari would consider selling his company and negotiations quickly ensued. But after Ford spent considerable time and money reviewing Ferrari's operations and negotiating with Enzo, Ferrari abruptly backed out of the talks. The Deuce took Ferrari's actions as a personal insult. Word was sent down from on high: beat Ferrari. Ford settled on UK-based Eric Broadley's Lola GT, a cutting-edge car that featured a mid-engine chassis and small-block Ford V-8 power. The Lola GT would morph into the Ford GT. Carroll Shelby helped shape it into the "Mark II" GT40. The result was one of the most legendary wins in racing history: Ford's 1-2-3 sweep of Le Mans in 1966. Ford GT celebrates the 50th anniversary of Ford's iconic victory, providing the detailed back story leading to that historic win, as well as the follow-up win in 1967. The GT40's last two competitive seasons in 1968 and 1969 are also covered, for a complete view of this remarkable era in racing. Author Preston Lerner details the ups and downs of Ford's GT program, accompanied by Shelby American photographer Dave Friedman's historic images. Come re-live one of the most exciting stories in all of racing history!
