Winds of Heaven, Stuff of Earth May 27 2020 Rich Mullins was a once-in-a-lifetime singer/songwriter whose impact on Christian music and the church is still felt today, even twenty years after his passing. His words and music softened and inspired the most hardened hearts to believe. His was a ragged and raw faith of a pilgrim, poet, and prophet. Now more than a dozen of today's singers, songwriters, producers, and authors gather to share never-before-heard stories and lessons that continue to influence their music and ministries today. These lessons, gleaned from Rich's own struggles and pursuits, are combined with lyrics from unreleased Rich Mullins songs that will inspire longtime Mullins fans, new Christian music followers, and spiritual seekers trying to understand the reckless love of God.

Find Your Way Home Nov 13 2021 I remember the first day I came home. There were four beautiful women walking out onto the porch to say hello. This was the home I'd almost forgotten about. Thank you, God, for leading me home. Have you ever felt lost? Do you long for a group of friends? Will you ever find your way home? The Importance of Being Foolish Jul 29 2020 In the eyes of the world, Jesus was a fool. He did not abide by the rules of his day; the people he associated with were shunned by society; his Sermon on the Mount reads like a primer on being left behind, stepped on, and ignored. In order for us to truly be the people Jesus wants us to be, we too must learn to become "foolish." Becoming a Christian is not a magical enterprise by which we are automatically transformed into better people. We must train to become who God intends us to be. In The Importance of Being Foolish, bestselling Christian author Brennan Manning teaches us how to think like Jesus. By reorienting our lives according to the gospel we may appear to be fools in the eyes of the world, but Manning reveals that this is exactly what Jesus wants. In a powerful exploration of the mind of Christ, Manning reveals how our obsession with security, pleasure, and power prevents us from living rich and meaningful lives. Our endless struggle to acquire money, good feelings, and prestige yields a rich harvest of worry, frustration, and resentment. Manning explores what Christ's mind was truly focused on: finding the Father, compassion for others, a heart of forgiveness, and the work of the kingdom. Coming from the gentle yet

compelling voice of Brennan Manning, The Importance of Being Foolish is a refreshing reminder of the radical call of Jesus and the transforming love of God.

The Glass Castle Mar 05 2021 A triumphant tale of a young woman and her difficult childhood, The Glass Castle is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

The Signature of Jesus Feb 16 2022 The Signature of Jesus challenges the gospel of "cheap grace" and calls the church to radical discipleship. With passion and boldness, author Brennan Manning invites readers to risk living life as Jesus lived—committed to simplicity, purity of heart, and obedience to the gospel. As a radical alternative this book is offered to Christians who want to live by faith and not by mere "religion," for those who recognize that many of the burning theological issues in the church today are neither burning nor theological; who see Christianity neither as a moral code or a belief system but as a love affair; who have not forgotten that they are followers of a crucified Christ; who know that following him means living dangerously;

who want to live the gospel without compromise; who have no greater desire than to have his signature written on the pages of their lives.

“Behold,” Jesus proclaims, “I stand at the door and knock.” You may have already met him at the door...but do you truly know him? Have you been transformed by His furious, passionate, unexplainable love? Join Brennan Manning, the bestselling author of The Ragamuffin Gospel, on a personal journey to experience Christ’s love and live with His passion.

The Furious Longing of God Jun 20 2022 Imagine a stormy day at sea, your ship yielding to a relentless wind, pummeled by crashing waves, subject to the awesome force of nature. A force that is both fierce and majestic. A power that is nothing short of furious. Such is God's intense, consuming love for His children. It's a love that knows no limits, and no boundaries. A love that will go to any lengths, and take any risks, to pursue us. Renowned author and ragamuffin Brennan Manning presents a love story for the brokenhearted. For those who are burdened by heavy religion. For those who feel they can never measure up. It is a provocative and poignant look at the radical, no-holds-barred love of our Heavenly Father. It is a message that will forever change how you view God.

The Furious Longing of God Aug 30 2020 The author of the bestselling "Ragamuffin Gospel" illumines the most powerful force in the universe--God's intense love for his children.

The Prodigal May 19 2022 From the inspirational author of The Ragamuffin Gospel comes a powerful contemporary retelling of the Parable of the Prodigal Son. Jack Chisholm is "the people's pastor." He leads a devoted and growing megachurch, has several best-selling books, and a memorable slogan, "We have got to do better." Jack knows how to preach, and he understands how to chastise people into performing. What he doesn't know is anything about grace. This year, when it comes time for the Christmas sermon, the congregation at Grace Cathedral will look to the pulpit, and Jack will not be there. Of course, they will have seen plenty of him already—on the news. After an evening of debauchery that leads to an affair with his beautiful assistant, Jack Chisholm finds himself deserted with chilling swiftness. The church elders remove him from his own pulpit. His publisher withholds the royalties from his books. Worst of all, his wife disappears with their eight-year-old daughter. But just as Jack is hitting bottom, hopeless and penniless, drinking his way to oblivion, who should appear but his long-estranged father, imploring his

prodigal son: “Come home.” A true companion piece to The Ragamuffin Gospel, The Prodigal illustrates the power of grace through the story of a broken man who finally saw Jesus not because he preached his greatest sermon or wrote his most powerful book, but because he failed miserably. Jack Chisholm lost everything—his church, his family, his respect, and his old way of believing—but he found grace. It’s the same grace that Brennan Manning devoted his life to sharing: profound in nature and coming from a God who loves us just as we are, and not as we should be. “A wonderfully written story that is as entertaining as it is thought provoking.” —Publishers Weekly, starred review “. . . the consummate final tale. What they have created is the Ragamuffin at his best, full of hope, full of love, and finally, full of belief in the goodness of God.” —Phyllis Tickle, founding editor, Religion Department, Publishers Weekly “Brennan Manning’s last work continues the powerful message of grace and forgiveness that has transformed so many lives. The Prodigal will transform you too.” —Mark Batterson, New York Times best-selling author of The Circle Maker

Mere Churchianity Oct 12 2021 Studies show that one in four young adults claim no formal religious affiliation, and church leaders have long known that this generation is largely missing on Sunday morning. Hundreds of thousands of "church leavers" have had a mentor and pastor, however, in Michael Spencer, known to blog readers as the Internet Monk.

All Is Grace Nov 25 2022 It has been over twenty

years since the publication of *The Ragamuffin Gospel*, a book many claim as the shattering of God's grace into their lives. Since that time, Brennan Manning has been dazzlingly faithful in preaching and writing variations on that singular theme – “Yes, Abba is very fond of you!” But today the crowds are gone and the lights are dim, the patches on his knees have faded. If he ever was a ragamuffin, truly it is now. In this his final book, Brennan roves back his past, honoring the lives of the people closest to him, family and friends who've known the saint and the sinner, the boy and the man. Far from some chronological timeline, these memories are witness to the truth of life by one who has lived it – All Is Grace.

***If God Is Good: Why Do We Hurt? Nov 20 2019
Special 10-pack, ideal for church giveaways, grief support group members, or individual gifting to a loved one The encouragement we crave—when we're most in need Out of the deepest hurts of the human condition, Randy Alcorn brings into clear focus our most pressing questions about evil and suffering—including those that wrench our souls when we or someone we love is victimized by evil or assaulted by disease. He faces these questions with seasoned sensitivity, skillful insight, and a heart of compassion. He dodges none of the difficulties, and***

never lapses into platitudes, hand-wringing, or oversimplification. On this troubling but inescapable topic, you'll find frank acknowledgment of the inherent limitations that set humanity apart from the God who has none. There's also generous, real encouragement that brings God nearer in our understanding when we need His comfort the most. And amid our heavy doubts and swirling confusion on this topic, Randy Alcorn points us ultimately toward Jesus as "the only answer bigger than the questions."

Seizing Your Divine Moment Jun 08 2021 In this inspiring book, Erwin McManus uses the biblical account of Israel's war with the Philistines (1 Samuel 13 and 14) and the characters of Saul and Jonathan to demonstrate the difference between living a life of purpose and adventure, and living one of apathy and missed opportunity. In the midst of a less-than-hopeful battle, Saul-who should have been leading-rested beneath a pomegranate tree as Jonathan seized the divine moment that would impact the future of Israel. Through this story McManus artfully illustrates the eight characteristics of an adventurer's heart, what he calls "the Jonathan factor." Using powerful examples from his own life and ministry, along with fresh biblical teaching, McManus asserts that God crafts divine moments

specific to each of us-priceless opportunities for us to actively engage in God's big-picture plan. Apathy and apprehension prevent us from being all we are meant to be for God's kingdom. But by developing the characteristics McManus outlines, Christians can move from mundane to miraculous living.

The Life We're Looking For Apr 25 2020 A deeply reflective primer on creating meaningful connections, rebuilding abundant communities, and living in a way that engages our full humanity in an age of unprecedented anxiety and loneliness—from the author of The Tech-Wise Family “Andy Crouch shows the path to reclaiming a life that restores the heart of what it means to thrive.”—Arthur C. Brooks, #1 New York Times bestselling author of From Strength to Strength Our greatest need is to be

recognized—to be seen, loved, and embedded in rich relationships with those around us. But for the last century, we've displaced that need with the ease of technology. We've dreamed of mastery without relationship (what the premodern world called magic) and abundance without dependence (what Jesus called Mammon). Yet even before a pandemic disrupted that quest, we felt threatened and strangely out of place: lonely, anxious, bored amid endless options, oddly disconnected amid infinite connections. In *The Life We're Looking For*, bestselling author Andy Crouch shows how we have been seduced by a false vision of human flourishing—and how each of us can fight back. From the social innovations of the early Christian movement to the efforts of entrepreneurs working to create more humane technology, Crouch shows how we can restore true community and put people first in a world dominated by money, power, and devices. There is a way out of our impersonal world, into a world where knowing and being known are the heartbeat of our days, our households, and our economies. Where our vulnerabilities are seen not as something to be escaped but as the key to our becoming who we were made to be together. Where technology serves us rather than masters us—and helps us become more human, not less.
