When college sophomore, Laney Alexander, falls for the beautiful boy, Oliver Knight, a vampire, adventure and romance await them at every turn. Takes place in a small college town in Northern California. **NEW YORK TIMES EDITORS' CHOICE** • A witty, moving, piercingly insightful new novel about a marvelously complicated woman who can't be anyone but herself, from the award-winning author of Chemistry **LONGLISTED FOR THE ANDREW CARNEGIE MEDAL** • "A deeply felt portrait . . . With gimlet-eyed observation laced with darkly biting wit, Weike Wang masterfully probes the existential uncertainty of being other in America."—Celeste Ng, author of *Little Fires Everywhere* **ONE OF THE BEST BOOKS OF THE YEAR:** The New York Times Book Review, The New Yorker, NPR, The Washington Post, Vox Joan is a thirtysomething ICU doctor at a busy New York City hospital. The daughter of Chinese parents who came to the United States to secure the American dream for their children, Joan is intensely devoted to her work, happily solitary, successful. She does look up sometimes and wonder where her true roots lie: at the hospital, where her white coat makes her feel needed, or with her family, who try to shape her life by their own cultural and social expectations. Once Joan and her brother, Fang, were established in their careers, her parents moved back to China, hoping to spend the rest of their lives in their homeland. But when Joan's father suddenly dies and her mother returns to America to reconnect with her children, a series of events sends Joan spiraling out of her comfort zone just as her hospital, her city, and the world are forced to reckon with a health crisis more devastating than anyone could have imagined. Deceptively spare yet quietly powerful, laced with sharp humor, *Joan Is Okay* touches on matters that feel deeply resonant: being Chinese-American right now; working in medicine at a high-stakes time; finding one's voice within a dominant culture; being a woman in a male-dominated workplace; and staying independent within a tight-knit family. But above all, it's a portrait of one remarkable woman so surprising that you can't get her out of your head. "Included: right & left handed instructions, beginner projects, online video support"--Cover. JoAnn Ross, one of the fastest-rising stars in contemporary romance, begins a stunning trilogy that showcases her extraordinary storytelling ability and introduces the unforgettable, moss-draped splendor of Blue Bayou. Danielle Dupree, daughter of a prominent judge, was the closest thing to a princess the sleepy Louisiana town of Blue Bayou ever had. Her passionate teenage love affair with Jack Callahan was cut short for reasons that were never clear to Dani -- but were all too obvious to Jack, the sexy bad-boy son of Judge Dupree's housekeeper. Thirteen

years later Dani, a widow with a son, comes home to start a new life and is surprised that Jack, too, has moved back to the Bayou. A former DEA agent who is now a bestselling author, Jack has bought Dani's childhood home, Beau Soleil. But even as their passion reignites, Dani and Jack know that secrets hang in the air...and that the past may ruin their second chance at a once-in-a-lifetime love. Contemporary and compelling, the novels of JoAnn Ross draw their power from the laughter and tears that fill women's lives. Now, after her triumphant bestseller *A Woman's Heart*, she makes a dazzling Pocket Books debut with a richly emotional tale of a woman struggling with her unconventional family...and a deep longing for a love of her own. Fighting legal battles eighty hours a week has left Raine Cantrell burned out and empty. Although she once dreamed that success might make the father who walked away without a backward glance take notice, the high-powered big-city lawyer now finds herself feeling very alone. Then she gets an urgent call from three kids in trouble in her Washington state hometown, and suddenly Raine is returning to face unresolved feelings, unhealed wounds -- and an unexpected desire. Sheriff Jack O'Halloran, a man with a tragedy in his past and a six-year-old daughter to raise alone, has three teens barricaded inside a house and the media clamoring for a story. He isn't ready for Raine to invade his territory -- or his thoughts. And Raine isn't ready for anyone to touch her heart. Unable to deny their attraction to each other, their solution is adult, reasonable -- and totally foolish. They decide to have a simple affair. But they are about to discover that love is rarely simple -- and that lives can change forever in a single heartbeat. A tender and deeply affecting tale, *Homeplace* will linger in your heart long after the last page is turned. Two handsome brothers. An age-old Appalachian feud. And a love that may tear the Norgaard family apart. After the tragic death of her husband, Aven Norgaard is beckoned to give up her life in Norway to become a housekeeper in the rugged hills of nineteenth-century Appalachia. Upon arrival, she finds herself in the home of her late husband's cousins—three brothers who make a living by brewing hard cider on their three-hundred-acre farm. Yet even as a stranger in a foreign land, Aven has hope to build a new life in this tight-knit family. But her unassuming beauty disrupts the bond between the brothers. The youngest two both desire her hand, and Aven is caught in the middle, unsure where—and whether—to offer her affection. While Haakon is bold and passionate, it is Thor who casts the greatest spell upon her. Though Deaf, mute, and dependent on hard drink to cope with his silent pain, Thor possesses a sobering strength. As autumn ushers in the apple harvest, the rift between Thor and Haakon deepens and Aven faces a choice that risks hearts. Will two brothers' longing for her quiet spirit tear apart a family? Can she find a tender belonging in this remote, rugged, and unfamiliar world? A haunting tale of struggle and redemption, *Sons of Blackbird Mountain* is a portrait of grace in a world where the broken may find new life through the healing mercy of love. "Beloved author Joanne Bischof doesn't disappoint with her latest beautifully written, heartrending tale . . . a quick favorite for historical romance readers." —Elizabeth Byler Younts, author of *The Solace of Water* "Bischof (*The Lady and the Lionheart*) transports readers to late 19th-century Appalachian Virginia in this moving historical romance . . . With fine historical details and stark prose that fits the story, Bischof skillfully weaves a tale of love and redemption in rough Appalachia." —Publishers Weekly "Christy- and Carol Award-winning author Bischof (*The Lady and the Lionheart*) creates endearing characters and a heartwarming story line in this unforgettable novel about the power of family, love, and the true meaning of home. Fans of Kristy Cambron, Julie Klassen, and Susan Meissner will love this one." —Library Journal "Sons of Blackbird Mountain is a quiet gem of a historical romance. Refreshingly real and honest in its depiction of flawed but lovable individuals, it introduces characters readers will want to meet again." —CBA Market magazine In a small college town in Northern California, Laney Alexander leads a regular, uneventful life; that is, until the charming and alluring Oliver Knight enters her world. Who is this gorgeous and mysterious stranger? Or, rather, what is he? As Laney's sophomore year of college begins, so does an unbelievable adventure; including a love she didn't know she longed for. She soon learns that Oliver is not ordinary, nor is the rest of his family, including a sister who openly hates her and a brother who will stop at nothing for revenge. As she fights for her life, and Oliver's love, Laney discovers that the fictional world of vampires isn't so fictional after all. Nobody is safe, especially Laney, Oliver's most important priority, and he will stop at nothing to protect her. With her mortality at risk, and a commitment revealed that she, without a doubt, knows she wants, Laney's life takes a thrilling and terrifying turn. This fictionalized "biography" told by an intimate companion of Joan of Arc was thought by Mark Twain to be his finest work. It was hugely popular in its time, and while the tastes of subsequent generations may have elevated HUCKLEBERRY FINN and THE MYSTERIOUS STRANGER to a higher level, JOAN OF ARC still remains one of Twain's most colorful and passionately-imagined books. "Inside you'll find 12 fresh projects featuring beautiful plants, flowers, and botanicals. Each one, includes step-by-step instructions, a quick reference guide to the colors and stitches, full-size patterns, and helpful tips... Enjoy the fulfilling, creative, and therapeutic process of embroidery with these modern, inviting, and uplifting designs!"--Back cover.

When former U.S. Marine photojournalist Gabriel St. James arrives in Shelter Bay to help out a fellow Marine, the last thing he expects is to meet a woman like Charity. A veterinarian with a past that would have defeated a less resilient woman, Charity still possesses a heart as generous as her name. She's known men like Gabe before-but with a shared attraction impossible to deny, Charity and Gabe agree to a simple affair with no expectations. But as summer unfolds, and Gabe finds reasons to extend his stay in Shelter Bay, he and Charity realize that there's nothing simple about falling in love, and nothing easy about the choices of the heart. Night's chill tickled her skin. Lonnie pressed her hands together and glanced up. He was even more handsome up close. Having grown up the shy, awkward daughter of Joel Sawyer, she'd hardly spoken to any boy, let alone the one who had mothers whispering warnings in their daughter's ears and fathers loading shotguns. Pretty Lonnie Sawyer is shy and innocent, used to fading into the background within her family, and among the creeks and hollows of the Appalachian hills. Though her family is poor and her father abusive, she clings to a quiet faith. But when handsome ladies' man and bluegrass musician Gideon O'Riley steals a kiss, that one action seals her fate. Her father forces her into a hasty marriage with Gideon—a man she barely knows and does not love. Equally frustrated and confused by his new responsibilities, Gideon yearns for a fresh start, forcing Lonnie on an arduous journey away from her home in Rocky Knob. Her distant groom can't seem to surrender his rage at the injustice of the forced matrimony or give Lonnie any claim in his life. What will it take for Gideon to give up his past, embrace Lonnie's God, and discover a hope that can heal their two fractured hearts? Gideon only ever cared about himself. Now that Lonnie is his wife, will he ever be worthy of her heart? Grab your favorite precut fabrics and whip up 15 easy projects from the Moda Bake Shop designers. A young nun shocked by the Birmingham church bombing in 1963 begins to wake up to the horrors of racism on her first teaching assignment in the deep South. Joann's journey as a Civil Rights and anti-war activist takes her to jails, trials, a federal prison sentence and connections with Black Panther Party members and other Civil Rights leaders, teachers and community builders. Facing her own demons with alcohol, she is still "waking up" and becoming a better anti-racist today. Join her journey as a Civil Rights and anti-war activist takes her to jails, trials, a federal prison sentence and connections with Black Panther Party members and other Civil Rights leaders, teachers, and community builders. There's no place to fall in love like the place you left your heart Faith always went to church as a child, but as an adult, she decided that church is not for her. Just like anybody else, she loves to party and have fun, but along the way, she faces lifes trials and tribulations and decides to go back to church and give her life to God. Faith becomes a devoted, faithful member, but this time around in church, she sees

and experiences a lot along the way, dealing with one wicked man who thinks he is God. Faith does not believe half of what she sees or what she hears, or even half of the events that take place. So much takes place in the house of the Lord no one can ever know what to expect and everyone has to be on pins and needles. Instead of getting the solace and peace they look for when attending church, the members get nothing but hell-raising. Faith starts to understand why people talk unkindly about Christian folk and don't go to church like they used to. This makes her realize that church isn't always what it seems and that it's really a one-man church. For the first time Hawk's Way's cowboys are in one convenient box set, from New York Times bestselling author Joan Johnston... Dallas Angela owes her life to the Texas Ranger Dallas, but what he doesn't know is she's from 1864. Dallas is fairly sure the woman he's rescued is completely out of her mind. When he meets Angela, over a century worth of differences come crashing together. Still, there's something about her fiery spirit and unmistakable beauty that has him wanting to believe her story. Sometimes, when it comes to falling in love, there's no place to go but the future. Jesse Honey hasn't been the same ever since her husband, a Texas Ranger, died on the job. So when cowboy Jesse Whitelaw turns up on her doorstep looking for work, he seems like the answer to her prayers. Jesse longs to be the man in Honey's life, but he'll do anything to keep his secret hidden. She doesn't know he's really a Ranger himself, and is undercover investigating a cattle-rustling ring. But as they grow closer, it becomes tougher for Jesse to pretend. Can he and Honey obey the law of their own hearts? Adam Tate Whitelaw leaves her overprotective family, and runs straight into the arms of hardened rancher Adam Phillips. Adam has had enough experience with misfits and strays that he knows a damsel in distress when he sees one. He's in no mood to deal with the spirited women, but he can't seem to keep her out of his heart...or his bed. But when Tate's brothers track her down with shotguns in hand, Adam will have to wrangle her heart, before he loses her for good. Faron Belinda Prescott has just inherited a nearly bankrupt ranch...along with Faron Whitelaw, an ill-tempered cowboy. Faron was furious when Belinda informed him about the truth of his parentage: he wasn't one of the Whitelaws of Texas. He wanted to believe that she was nothing more than a gold digger, but all she seemed to want was him... Was there the least bit of chance, JoAnn pondered wistfully, that she might replace his lost love and capture and mend his broken heart? The way to his heart was clear. But he would first have to open its door and let her in. Excerpt 1: ...JoAnn shook her head disconsolately. Nothing to be done about it. She'd have to see him. He'd made this long trip back to the cabin to speak to her. He must care some for her to take such an action. No matter how she looked at it, theirs was never

truly your standard boss/secretary association. Both of them single, attractive, intelligent, and needy, it had been easy to offer him companionship and support. She'd made him more than her employer. She'd made him her dearest and best friend. And in like response, he had done the same. But Friendship, as close as theirs had become, was not love. The moment Lexie entered Jim's life, was a rude awakening that hurt terribly. When Lexie broke Jim's heart, JoAnn had every right to feel vindicated, and ready to exert every effort to capture his heart. But she did not feel that joy or the strong desire to capture his heart on the rebound. Her rose-colored glasses had cracked, and the truth bleached them to clear. Jim had no interest in her romantically. If there'd been the least bit of spark, he wouldn't have fallen in love with Lexie the moment he set eyes on her. No, she pondered miserably. The man simply wanted his friend and skilled secretary back. And in truth, she felt that she owed him that much, for his expending such efforts to find her and retrieve her, at least until he regained his footing in the office and she found him a skilled secretary he considered her equal to take her place.... Excerpt 2: ...Jim and Harold's law firm often represented the embezzled corporation in legal suits. JoAnn and both lawyers and their secretaries were called to the precinct to represent the firm after E.J. Stanton, the company's president, discovered and reported to the authorities a \$100,000 dollar unexplained deficit, and accused Alliston, the bookkeeper, of embezzlement, but Jim felt Stanton's evidence accusing Alliston was dubious and decided to represent the accused Treasurer. No such money was found deposited into any account relating to Alliston's personal finances. The man swore he was innocent. But he was the most likely suspect since he handled all the company's finances. Jim hired a P.I. to investigate. Although the P.I. found no authentic proof that would stand up in court, he did lead Jim to form certain conclusions about who might have been the actual embezzler. "And you remember who I mentioned in my notes," Jim whispered. "Yes, I do." JoAnn answered. "But those suspicions were never made public." "Nevertheless, my office was broken into and files searched. Nothing was discovered missing except the file I carried with me in my briefcase." "Alliston's," JoAnn said, shakily." Jim nodded. "We are all in danger, aren't we?" JoAnn said. "Yes we are," Jim said. "There's already been one murder committed relative to this case...".. Clean Romance Novella, Murder Mystery, Suspense (Large Print Edition) Joannas Poetry of Praise represents an accumulation of a lifetime of experiences in the life of Joann Marie Plath, a wife, mom and grandmother (anannya) who lives in rural Howard City, Michigan. Both Joann and her husband come from large families (eight kids each). Both families struggled with a number of traumas and tragedies that helped shape their lives. This collection of poetry speaks of life's joys and its trials and to the many people who have crossed the path of Joann's life. It is her hope and prayer that this book will be an inspiration and an encouragement to all who read it and that it would help point people to Jesus Christ, the one true and certain source of hope. A searing and exhilarating new collection from the award-winning author of *The Boys of My Youth* and *In Zanesville*, who "honors the beautiful, the sacred, and the comic in life" (Sigrid Nunez, National Book Award winner for *The Friend*). A New York Times Notable Book A New York Times Book Review Editors' Choice A Boston Globe and LitHub Best Book of the Year When "The Fourth State of Matter," her now famous piece about a workplace massacre at the University of Iowa was published in *The New Yorker*, Jo Ann Beard immediately became one of the most influential writers in America, forging a path for a new generation of young authors willing to combine the dexterity of fiction with the rigors of memory and reportage, and in the process extending the range of possibility for the essay form. Now, with *Festival Days*, Beard brings us the culmination of her groundbreaking work. In these nine pieces, she captures both the small, luminous moments of daily existence and those instants when life and death hang in the balance, ranging from the death of a beloved dog to a relentlessly readable account of a New York artist trapped inside a burning building, as well as two triumphant, celebrated pieces of short fiction. Here is an unforgettable collection destined to be embraced and debated by readers and writers, teachers and students. Anchored by the title piece—a searing journey through India that brings into focus questions of mortality and love—*Festival Days* presents Beard at the height of her powers, using her flawless prose to reveal all that is tender and timeless beneath the way we live now. We will not scare you... much! Children will love this tickling collection of poems and short tales...told by a ghost! Sardine, her cousin Louie and her pirate uncle Captain Yellow Shoulder travel across the universe.
