[Meehan's Bartender Manual](#) May 01 2021 "A knowledge-filled tome for true cocktail nerds or those aspiring to be" (Esquire), from one of the world's most acclaimed bartenders WINNER OF THE JAMES BEARD AWARD • WINNER OF THE TALES OF THE COCKTAIL SPIRITED AWARD® FOR BEST NEW COCKTAIL OR BARTENDING BOOK • IACP AWARD FINALIST Meehan's Bartender Manual is acclaimed mixologist Jim Meehan's magnum opus—and the first book of the modern era to explain the bar industry from the inside out. With chapters that mix cocktail history with professional insights from experts all over the world, this deep dive covers it all: bar design, menu development, spirits production, drink mixing technique, the craft of service and art of hospitality, and more. The book also includes recipes for 100 cocktails culled from the classic canon and Meehan's own storied career. Each recipe reveals why Meehan makes these drinks the way he does, offering unprecedented access to a top bartender's creative process. Whether you're a professional looking to take your career to the next level or an enthusiastic amateur interested in understanding the how and why of mixology, Meehan's Bartender Manual is the definitive guide.

Drinking Distilled Dec 08 2021 An opinionated, illustrated guide for cocktail beginners, covering the basics of spirits plus making and drinking cocktails, written by celebrated craft cocktail bartender Jeffrey Morgenthaler. This easy-reading, colorful introduction for cocktail beginners, with approximately 100 succinct lessons on drinking culture, spirits, and cocktail making, is delivered in the pithy, wry style Morgenthaler is known for in his instructional videos and writing for beverage publications. Novices will learn how to order a drink, how to drink with the boss, how to drink at the airport, and more. Twelve perfect starter recipes—ranging from a Dry Gin Martini to a Batched Old-Fashioned (perfect for the flask)—plus thirty original illustrations round out this distillation for new enthusiasts.

[The Bar Book](#) Aug 04 2021 The Bar Book — Bartending and mixology for the home cocktail enthusiast Learn the key techniques of bartending and mixology from a master: Written by renowned bartender and cocktail blogger Jeffrey Morgenthaler, The Bar Book is the only technique-driven cocktail handbook out there. This indispensable guide breaks down bartending into essential techniques, and then applies them to building the best drinks. Over 60 of the best drink recipes: The Bar Book contains more than 60 recipes that employ the techniques you will learn in this bartending book. Each technique is illustrated with how-to photography to provide inspiration and guidance. Bartending and mixology techniques include the best practices for: Juicing Garnishing Carbonating Stirring and shaking Choosing the correct ice for proper chilling and dilution of a drink And, much more If you found PTD Cocktail Book, 12 Bottle Bar,

The Joy of Mixology, Death and Co., and Liquid Intelligence to be helpful among bartending books, you will find Jeffrey Morgenthaler's The Bar Book to be an essential bartender book.

[America, the Owner's Manual](#) Dec 16 2019 In 2016, Americans fed up with the political process vented that frustration with their votes. Republicans nominated for president a wealthy businessman and former reality show host best known on the campaign trail for his sharp rhetoric against immigration and foreign trade. Democrats nearly selected a self-described socialist who ran on a populist platform against the influence of big money in politics. While it is not surprising that Americans would channel their frustrations into votes for contenders who pledge to end business as usual, the truth is that we don't have to pin our hopes for greater participation on any one candidate. All of us have a say—if we learn, master and practice the skills of effective citizenship. One of the biggest roadblocks to participation in democracy is the perception that privileged citizens and special interests command the levers of power and that everyday Americans can't fight City Hall. That perception is undoubtedly why a 2015 Pew Charitable Trusts survey found that 74 percent of those Americans surveyed believed that most elected officials didn't care what people like them thought. Graham and Hand intend to change that conventional wisdom by showing citizens how to flex their citizenship muscles. They describe effective citizenship skills and provide tips from civic experts. Even more importantly, they offer numerous examples of everyday Americans who have used their skills to make democracy respond. The reader will see themselves in these examples of citizens who chose to be victorious participants rather than tranquil spectators in the arena of democracy. By the end of the book, you will have new confidence that citizen participation is the lifeblood of America -- and will be ready to make governments work for you, not the other way around.
