Power he never dreamed of possessing. As a child, Craig Henriksen is sent to Chicago to live with relatives after the shocking death of his father. As an adult, he is reclusive and avoids facing his past, only to discover strange abilities that won't let him escape it. His struggle to find normalcy is challenged by his cousin Danny, a Chicago Police detective who uses him to uncover clues at murder scenes. As Craig becomes involved with Lauren, a woman who offers him the hope of living the life he has always wanted, he finds himself pulled ever further into Danny's pursuit of a vicious serial killer--the Tourist. But even if he chooses to forgo his chance at happiness in order to help his cousin, will he understand in time that both he and Danny are being hunted? Relentless Enemy brings an age-old battle to today's streets, hearts, and lives. A man can only have one great love, and mine was the sea. Until I pulled a half-drowned heiress out of the water. Until I kept her as mine. Until I hurt her to prove I didn't love her. Now we're surrounded. Dangerous pirates want to use her for their own purposes. I won't give her up that easy. I have a lifetime of treasure to protect. But with the ship going down, there's only one thing I want to save. Her. A Deal with the Devil is book two in the Devil trilogy by USA Today bestselling author Amelia Wilde. The Devil and the Deep Blue Sea must be read first. "Negotiation: Science and Practice" is a university-level textbook and lecture series designed to teach effective skills and techniques in negotiation. It provides scientifically tested tools that allow anyone to construct and implement the best possible negotiation strategies, in any negotiation scenario. From this pack, students, like yourself, learn the art, science and practice of influence, as well as how to construct optimal agreements, whether you are negotiating a settlement in a legal dispute, a contract to sell a business, a ceasefire in a conflict zone, the sale of your own home, a price rise of the goods or services your company provides, a wage dispute with a powerful union or even an amendment to legislation. The lectures in this textbook are as follows: Lecture 1: Negotiation dynamics (available in full, for free, in the "sample") Lecture 2: Preparation for negotiation Lecture 3: Evaluation techniques Lecture 4: Influence Lecture 5: Cognitive biases, heuristics, errors and effects Lecture 6: Group dynamics Lecture 7: Logic and creativity Lecture 8: Parachutes, problems and tricks Lecture 9: Culture, human nature and individual difference Lecture 10: Enforcement mechanisms Lecture 11: Ethics, lying, the law and why good people do bad things Lecture 12: Alternative dispute resolution Lecture 13: Conflict This book contains: - A comprehensive lecture series (outlined above) - Week-by-week multiple choice questions (100+ pages) - Detailed answers and explanations to all week-by-week questions (50+ pages) - A mid-semester exam - A comprehensive reference glossary (200 pages) - Full academic abstracts to complement critical references (aiding a more detailed understanding and facilitating further exploration of the science behind each technique) - The most comprehensive examination of the psychology of negotiation available, with clear examples of how it can be used to achieve desired outcomes - The most comprehensive description of common "dirty tricks" in negotiation and how to respond to them - Detailed explanations of the law and how it affects you as a negotiator; including important case summaries - Step-by-step explanations of how to calculate the 'need-to-know' numbers in all negotiations This is book 2. When you think about how easy it is to lose keys, phones, sunglasses and your dignity on social media, you might figure it'd be a cinch for me to ditch my V Card. You'd be wrong. At 25, I run a successful business, live in a fantastic apartment, and have fabulous friends to go out with any night of the week. And yet I'm still a card-carrying member of a club I don't want to belong to anymore. Good thing I know just the man for the deflowering job--my brother's business partner and best friend. Graham Campbell is charming, smart, and, I'm told, oh-so-skilled in the sack. As long as I keep my eyes on the prize, there's no way this pluck-the-flower project could possibly complicate matters. \*\*\* Work and pleasure. As the CEO of a fast-growing company, I've been enjoying both to the fullest. What do I do when the board throws me for an unexpected loop so I can keep my business in my hands? I enlist the help of my best friend's little sister since she holds a big stake in the company. But then I learn there's another big stake she wants. The one between my legs. I can do this. Seven nights to teach her everything I know in the bedroom. There's no way I'll fall for her, even though she's earning top grades in every single sinfully sexy lesson. And turns out I'm learning something too. The trouble is I don't have the answer key to what to do when I fall hard for her. And that throws a whole new hitch in my plans. This text utilizes the organ system approach and emphasizes the relevance of microbiological principles to human health, as well as providing a historical background. There are chapter-specific study cards included that feature key diseases and microorganisms. The Chainsaw Operator's Manual is an essential safety tool for chainsaw operators. It is the ultimate guide to basic chainsaw operating techniques covering safety, maintenance and cross-cutting, but not tree felling. Detailed diagrams illustrate horizontal, vertical and boring cuts, as well as trimming and cross-cutting techniques. Safety considerations are discussed, including workplace safety, occupational hazards, kick-back and identifying dangerous trees. An explanation of the 'tension' and 'compression' forces in timber is also provided to help you understand where to begin cutting to avoid jamming the saw. The book covers chainsaw maintenance in detail, explains all aspects of the equipment and helps you select the right chainsaw and personal protection equipment for your needs. Trouble-shooting charts are included to help you solve operating problems. This manual has been updated to take into account the most recent changes in nationally accredited competency standards. It is a must-have for anyone operating a chainsaw. This iPad interactive book is an indispensable tool for pilots seeking the Airbus A320 type rating. This study guide offers an in-depth systems knowledge with pictures, videos and schematics not found in other publications. It is packed with detailed and useful information to prepare any candidate for command and responsibility of the A320 equipped with IAE or CFM engines. If you haven't read this series, you're missing out. Sinclair writes the best Doms. Period. ~ Under the Covers Book Blog Let's liven up our marriage. It'll be fun. Then her husband brought two slaves into the house. That was the end of that. Divorce achieved, Valerie is working on her goals. Friends: has a new one. Fitness: little muscles! Finances: in the black. Friskiness? Total. Effing. Fail. So she attends the notorious Shadowlands club's open house. There, a sadistic Dom--a fellow professor--teaches her that she loves pain with her pleasure. He wants to show her more. Despite the razor edges of his hard face and the authority in his every word, he's careful and caring. He listens, and how tempting is that? But she knows better. Her heart is off-limits. Retired Special Forces colonel, Ghost has been a widower for long enough. Although he's ready to love again, the generous, caring woman he desires has scars from her past. However, he has hard-won skills, enough to show Valerie there can be a new F on her list--fulfillment. Life looks good. Until his past surfaces, shattering his new life and the love he'd hoped to win. --- I love that I can dive into a Masters of The Shadowlands book

and get lost and come out feeling warm, safe, and floaty. Just like being in “sub space”. ~ Marie’s Tempting Reads Grief brought high school senior Finley Sinclair to Ireland. Love will lead her home. Eighteen-year-old Finley Sinclair is witty, tough, talented, and driven. With an upcoming interview at the Manhattan music conservatory, she just needs to finish composing her audition piece. But her creativity disappeared with the death of her older brother, Will. She decides to take a break and study abroad, following Will’s travel journal to Ireland. Her brother felt closest to God there, and she hopes to find peace about his death. Meanwhile, Beckett Rush—teen heartthrob and Hollywood bad boy—is flying to Ireland to finish filming his latest vampire movie. On the flight, he bumps into Finley—the one girl who seems immune to his charm. Undeterred, Beckett convinces Finley to strike an unconventional bargain. As Finley deals with the loss of her brother, the pressures of school, and her impending audition, she wonders if an unlikely romance is blossoming between her and Beckett. Then she experiences something that radically changes her perspective on life. Has everything she’s been looking for been with her all along? Don’t miss Finding You—the movie based on There You’ll Find Me—released in 2021

Contemporary Young Adult romance Stand-alone novel Book length: 78,000 words Includes discussion questions for book clubs Sugarcane has garnered much interest for its potential as a viable renewable energy crop. While the use of sugar juice for ethanol production has been in practice for years, a new focus on using the fibrous co-product known as bagasse for producing renewable fuels and bio-based chemicals is growing in interest. The success of these efforts, and the development of new varieties of energy canes, could greatly increase the use of sugarcane and sugarcane biomass for fuels while enhancing industry sustainability and competitiveness. Sugarcane-Based Biofuels and Bioproducts examines the development of a suite of established and developing biofuels and other renewable products derived from sugarcane and sugarcane-based co-products, such as bagasse. Chapters provide broad-ranging coverage of sugarcane biology, biotechnological advances, and breakthroughs in production and processing techniques. This text brings together essential information regarding the development and utilization of new fuels and bioproducts derived from sugarcane. Authored by experts in the field, Sugarcane-Based Biofuels and Bioproducts is an invaluable resource for researchers studying biofuels, sugarcane, and plant biotechnology as well as sugar and biofuels industry personnel. This paper reviews economic developments in Suriname during 1994–96. In 1995, there was a major turnaround in Suriname’s economic and financial situation following the expansionary fiscal and monetary policies pursued in the first half of the 1990s and the political and economic disruptions of the 1980s. The marked improvement was owing to the restoration of financial discipline, a strengthening of international bauxite prices, and the unification and subsequent stabilization of the exchange rate. The inflation fell further to less than 1 percent in 1996. After a traumatic few years, Leah picks up and moves to the small lake town of Cedarville Ohio. Ready to finally find herself - possibly for the first time - she joins her friends and together they open a new business in town. She never expected to love Cedarville so much nor did she expect her heart to fall for the HOT AS SIN police chief, Brandon. But when someone from her past starts causing problems for her in her new home, she has no choice but to put her trust, and her heart, in Brandon's hands to keep her and her friends safe. A hot vet. A rebellious teenager. And meddling but well-meaning townsfolk. Vera gets more than she bargains for when she runs off to a new life in the country ... A fresh and funny rural romance, perfect for readers of Alissa Callen and Rachael Johns. Vera De Rossi no longer believes in love ... And thanks to her ex-boyfriend she's also broke, jobless, and staring down the barrel of a court case that could land her in prison. Turning to her talent for baking, Vera opens a cafe in Hanrahan, a cosy tourist town in the foothills of the Snowy Mountains. Josh Cody, once Hanrahan's golden boy, escaped sixteen years ago with gossip hard on his heels and a pregnant girlfriend in tow. Now he's back: a qualified veterinarian - and a single dad with a lot to prove. A new start and a grumpy teenage daughter ... it's a lot to juggle, and there's no room in his life for further complications. But that's before he walks into The Billy Button Cafe and meets its prickly owner ... Reeling from the past, Vera has no intention of being sidetracked by the hot vet with a killer smile. But fate has a way of tripping up our best intentions and between a stray cat and a busybody with a heart of gold, this is a town - a family - unlike any other. And, whether Vera wants it or not, is there anything a family won't do to help one of its own? PRAISE: 'The perfect feel-good blend of warmth, wit and small-town charm. While he remains hopeful that at least there's the chance for some heroics, the reality is very different. Kemp's war is instead a terrifying odyssey through the panic and confusion of his first battle, the brutal realities of siege warfare, and eventually to the field of Crécy, where he faces the armoured might of the French nobility. But as an elite longbowman, when it comes to winning or losing, he could have a vital - though dangerous - part to play. This stunning adventure brings the medieval world vividly to life, and is ideal for fans of Bernard Cornwell, Matthew Harffy and Giles Kristian. The history of biological control of harmful organisms by mites is marked by outstanding achievements with a few premiere natural enemies. Early works concentrated on the use of predatory mites for the control of synanthropic flies, More recently, the focus has been mostly on mites of the family Phytoseiidae for the control of plant feeding mites. This is an important family of acarine predators of plant pest mites, which are effectively used in agriculture worldwide. Besides the vast knowledge in several species in this family, there are as well many opportunities for biological control, represented in an array of organisms and through the improvement of management techniques, which are constantly explored by researchers worldwide. This has resulted in an increasing interest in predatory mite species within the families Stigmaeidae, Ascidae, Laelapidae, Rhodacaroida, Macrochelidae, Erythraeidae and Cheyletidae, among others. This book will compile important developments with predatory mite species within these families, which are emerging as important tools for integrated pest management. New developments with predatory insects and pathogenic organisms attacking mites will also be a subject of this book. Finally, the potential and gaps in knowledge in biological control of acarine plant pests will be addressed. A dangerous game of spies and seduction... Spirited Katherine O'Malley, sent to France to flush out a traitor, is prepared for discomfort, fear, even danger in her country's service. She isn't prepared to work with handsome rake Major Daniel Ross—posing as his wife! Katherine knows all about his womanizing ways, and she's determined to resist his charms—no matter how strongly they affect her. But when Napoleon's escape from Elba forces the pretend couple to flee across hostile France, Katherine has to trust Daniel absolutely. Even if that means letting him get intimately close.... Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?
