He never would have imagined that he'd end up with a mate, let alone a daughter. But he's committed to his family and will do anything for them. Trevor's biggest dream has always been to have an official wedding ceremony. Sure, he knows the other shifters will think it's silly, a ritual only for humans, but he can't stop himself from wanting a true fairy tale moment. Yet Trevor knows that Shane doesn't want anything to do with the human world, especially since mankind has taken to hunting and killing shifters. Shane wants to see Trevor happy. In fact, he made a promise to always keep his mate smiling. Will Shane be able to live up to his word? Or will Trevor's dream be shattered?

Joe participa en ella como un soldado perfecto cuya misión es ejecutar los objetivos que le indican sus superiores, sin cuestionarse unas reglas que no acaba de comprender. De niño le explicaron que el mundo estaba dividido en dos bandos bien diferenciados: el bueno y el malo, pero cuando conoce a Maria esa frontera comienza a desdibujarse. Sus firmes y sangrientas convicciones se desvanecen al tiempo que se impone una la única y terrible y única verdad: solo hay una cosa más peligrosa que luchar en una guerra: abandonarla. Reseña: «El trabajo de Shane es impresionante. Sabe, sin lugar a dudas, cómo encadenar escenas de acción y crea una tensión casi insoportable. Si lo que buscas es una lectura apasionante y vertiginosa Hijos del miedo es tu mejor opción.»

The Saturday Evening Post What side do you choose when you don't even know what War you're fighting? Over generations, the War has grown. It has become bloodier. Both sides will do anything to win. But with the involvement of a third faction—one that wants to put an end to the violence finally—even more enemies lurk around every corner. Strangers have been watching Christopher for his entire life. He doesn't know why, but he knows that he has paranoia in his blood. He has prepared since he was young for the day that they would stop watching and come for him. On his eighteenth birthday, Christopher is attacked. Though he escapes with his life, he finds himself thrust into a War he never knew existed. To the people of the War, Christopher is a legend, the hero or the villain who may one day bring an end to the conflict. But Christopher knows only that he isn't willing to become anyone's pawn.... Even if you have choices, sometimes you only have one worth making. The war had been raging for as long as anyone could remember. The secret, endless war between two opposing sides—one good, one evil. Neither side knows which is which; it is kill or be killed in an invisible conflict where assassination is the weapon of choice. When she was just seventeen, Maria was pulled into this secret war and they killed her lover and stole her child. Now they are telling her to go home. To ignore what she knows is going on in the shadows all around her. They told Maria to forget all she'd lost. The trouble is, some things simply can't be forgotten. Now, with a loose-cannon killer at her side, Maria is going to do whatever it takes to get back what belongs to her. And that means starting a war of her own... The rates of bullying, truancy due to lack of safety in schools, and subsequent suicidality for LGBT+ youth are exponentially higher than for non-LGBT+ youth. As a result, many American K-12 students are suffering needlessly and many school leaders are unsure of what to do. This book solves that problem. Setting out best practices and professional guidance for creating LGBT+ inclusive learning in schools, this approachable and easy to follow book guides teachers, educators, administrators, and school staff toward appropriate and proven ways to create safer learning environments, update school policies, enhance curricula, and better support LGBT+ youth as they learn. Featuring real-life situations and scenarios, a glossary, and further resources, this book enables professionals in a variety of school roles to integrate foundational concepts into their everyday interactions with students, families, and staff to create an overall school culture that nurtures a welcoming, inclusive, and affirming environment for all. This book can be utilized by independent readers, department teams, and entire school district reading experiences. This book also includes brand new, never before seen postcards from PostSecret as its foreword and its afterword is written by James Lecesne, co-founder of The Trevor Project. Also inside is the very first (and likely only ever) interview by the leaders of "Parents of Transgender Children," the world's largest support group of its kind. **An audiobook version will become available in Spring 2020!
