Pediatrics Board Review (PBR) was written by Dr. Ashish Goyal to help pediatricians pass the American Board of Pediatrics Initial Certification exam, the MOC recertification exam & the MOCA-Peds exam. The PBR offers a 100% money-back first-time pass guarantee & has had multiple consecutive years of 100% Pass Rates for the MOC exam. PBR has also achieved seemingly unattainable results, such as helping pediatricians finally pass their initial certification exam after up to SEVEN previous failed attempts. PBR's Core Study Guide is now available on mobile devices (e.g., iPhone) and tablets (e.g., iPad). \_\_\_\_\_ Testimonials: <http://www.pediatricsboardreview.com/testimonials> \_\_\_\_\_

About Trivium Test Prep Trivium Test Prep is an independent test prep study guide company that produces and prints all of our books right here in the USA. Our dedicated professionals know how people think and learn, and have created our test prep products based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our study materials are specifically tailored for your exact needs. We offer a comprehensive set of guides guaranteed to raise your score for exams from every step of your education; from high school, to college or the military, to graduate school. Let our study guides guide you along the path to the professional career of your dreams! Imagine walking out the door after taking your test with a big smile on your face because you just got an incredible score on your ISEE Upper Level test. You now have the ability to control your future and you're on your way to your top choice high school which is going to set you up to be successful for the rest of your life. Sounds good right? This isn't a fictional story, this is your reality. With the help of Smart Edition's ISEE

Upper Level study guide for the Independent School Entrance Exam we give you the tools and courage to conquer this test, we'll help you get there, it's why we exist. Let's go ahead and get a few questions out of the way. Q. Is Smart Edition credible? A. 100% yes, which can't be said for most ISEE Upper Level study guides. Our founder has been publishing test prep study guides for over 20 years mastering the art of making great study guides. We only work with highly qualified subject matter experts to develop the content and our editorial team is second to none ensuring you get the highest quality materials. We don't mess around when it comes to preparing for the ISEE Upper Level test. Q. Has it helped other students and will it help me pass the test? A. You bet, we help over 30,000 students per year prepare for and dominate the ISEE Upper Level test to the best of their ability. Our reviews speak for themselves. Q. Why should I buy the Smart Edition book instead of any other options, how are you different? A. It's pretty simple, you get better quality material that is more accurate to what is on the actual test and way more online resources and tools for your money. Feel free to study from a different study guide that is just okay, but not great, however, we don't recommend it. Make sure any practice test workbook you buy checks off these items: Material that accurately represents what's actually on the test ? Video lessons for every skill and lesson in the book ? Practice tests both in the book and online ? Flashcards online for every subject

Features:

1. 4 Practice tests containing 1,080 realistic questions and explanations Practice and repetition are one of the best ways to become more familiar with the material and the test itself. You can take the tests online as many times as you like.
2. Scored practice test report At the end of your online test, you receive a scored report with your score for

each section and a breakdown of your strengths and weaknesses. This is crucial to know when deciding how to approach studying for the test. If you can identify your weak areas then you will know where you need to focus your studying, the time this saves you is invaluable.

3. Online video lessons You'll have access to video lessons covering every topic and lesson on the test. People like to learn in different ways, it's likely you would benefit from having both chapters in print as well as a video lesson to talk you through it.

4. Online flashcards for every subject with over 400 flashcards Flashcards are essential to reinforce what you are learning, it's safe to say you won't find any other study guides that include online flashcards. Amazing!

If needed go back to the top and re-read the part about you walking out of the test with a big smile on your face after passing. It's your day, it's your time, let's do this. We've all been there: a new school year starts and there's 8 months till your exams - that's plenty of time, right? Then there's 6 months, 3 months, 1 month and oh, now there's 2 weeks left and you haven't started studying... What happens next is a panic-induced mayhem of highlighting everything in the textbook (without even questioning if it's actually helpful). But I'm here to help you change this! In *The Only Study Guide You'll Ever Need*, I'll cover a range of different topics including:

- How to get started and pick up that pen
- Learning techniques that actually work (hello, science of memory!)
- The dos and don'ts of timetabling
- And combatting fear of failure, perfectionism, exam stress and so much more!

As a fellow student now at university, I definitely don't have a PhD in Exam Etiquette but this is the book younger me needed. All I wanted was one place that had a variety of tried-and-tested methods with reassurance from someone who had recently been through the education system. *The Only Study Guide You'll Ever Need* is just that, and I have collected the best techniques and tools I wish I'd known earlier to help you get through your studies and smash your exams!

Policy and Research Students and social workers preparing for the social work masters licensure exam will find an invaluable study resource in the Social Work ASWB® Masters Exam Guide. Written by a prominent social work leader and trainer for social work licensing exams in the United States, this guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Masters “Knowledge, Skills, and Abilities” upon which the exam is based and incorporates information from the DSM-5®. The guide is comprehensive yet focuses on the material most likely to be included on the exam, so readers can prioritize information as they study. A self-assessment section helps identify strengths and weaknesses before tackling the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide (with explanations of the correct answers) mirrors the actual exam in both length and structure. Content includes human development, diversity, abuse and neglect, assessment and intervention planning, direct and indirect (micro and macro) practice, and professional values and ethics. This book will be a valuable asset for social workers throughout the United States and Canada. Key Features:

- Developed by a highly respected educator of social work licensure candidates
- Covers all the content areas on the masters examination, including new content added in 2015
- Begins with a self-assessment section to help identify areas of strength and weakness
- Offers a wealth of test-taking tips and strategies to foster exam confidence
- Includes a practice test (with explanations of the correct answers) that mirrors the exam
