The Wolf's Trail Mar 25 2020 Several days after I took the pups to the place overlooking Spirit Island, Youngest Nephew came to visit one afternoon as I lay sunning. "Zhi-shay'," he began hesitantly. "I don't know my life purpose." "Sure you do," I replied. "Part of your purpose was determined before you were even born. It's just not clear to you yet because you are still young." "When will I know?" he asked. "The Creator made us, you, me, all of us here, your family. It made us for a very special reason." "So I don't need to go seek my vision?" he asked. "No," I said. "Wolves do not need to seek a vision." "Our purpose and reason for being," I said, "Is to be wolves." --- The Wolf's Trail tells of Zhi-shay', an elder wolf, and a litter of young wolves living somewhere on the side of a hill overlooking the river that flows through Nagahchiwanong in northern Minnesota. Zhi-shay', who knows the whole story of the parallel relationship between wolves and the Ojibwe going all the way back to the Beginning, sharing it with his nieces and nephews, and us. Replete with universal lessons, The Wolf's Trail is the story of the Ojibwe, told by wolves, of what they were and have become, and the promise of their becoming.

The Wolf's Footprint May 19 2022 A new edition of the enthralling original fairy-story for readers of 6 to 10, from double award winning author, Susan Price. A bad summer, and the crops didn't grow. Now winter is coming. Everyone is hungry. People search desperately for the last of the nettles and acorns. Elka and her little brother Daw huddle under their blankets, trying to keep warm. Elka is too hungry to sleep. Awake in the dark, she overhears her parents whispering. "I don't want to watch them starve. Take them

into the wood and leave them. Take them far in, so they won't find their way back, and leave them." The next day their father takes them into the wood, to look for mushrooms. Daw goes along innocently, holding his father's hand. Elka follows because she doesn't want Daw to be alone. The light fades. Their father vanishes into the darkness among the trees. He doesn't come back. And then come the wolves... Where do these lost children belong - in the village with the people who left them to starve? Or, in the wood, with the wolves? REVIEWS 'No one writes this kind of dark tale better than Price... brilliantly reworks folk themes... an atmospheric and poignant story. Not a word is wasted.' Books For Keeps. 'This is a powerful piece of writing - a folk tale where difficult issues are confronted, no compromises allowed and no happy ending guaranteed. There's no escaping the anger of the little girl who decides to leave the world of her parents and remain with the pack of wolves who looked after her - nor the loneliness of the brother who pines for her at the edge of the forest. This is a classic.' Carousel. Because of the continued demand for this book from schools and parents, it has been republished by the author, with new illustrations by Andrew Price. Susan Price is an acclaimed, prize-winning author who won the Carnegie Medal in 1987 with *Ghost Drum* and the 1998 Guardian Children's Fiction Award for *The Sterkarm Handshake*. She wrote her first book aged 16 and became a full time writer aged 22. She now has over twenty children's novels to her name and has been described as 'one of the best contemporary writers for children' by Susan Hill in the *Daily Telegraph*.

Decade of the Wolf Jan 15 2022 In *Decade of the Wolf*,

project leader Douglas W. Smith and acclaimed nature writer Gary Ferguson describe the journey of thirty-one Canadian gray wolves that were released in 1995 and 1996 into Yellowstone National Park and the people who faithfully followed them. The wolves have not only survived but completely changed the ecosystem, spilling a fresh measure of wildness across the world's first national park. This updated edition includes additional wolf profiles, new information on the effects of climate change and disease, and a retrospective on what the scientists have learned during this extended study of the Yellowstone wolves.

Promise of the Wolves Feb 28 2023 The first in The Wolf Chronicles trilogy, brilliantly weaving together original research, lovable characters and a dynamic, thoroughly engaging plot, *Promise of the Wolves* is a historical adventure story in the tradition of *Clan of the Cave Bear* and *Watership Down*. Set 14,000 years ago in what is now Southern Europe, *Promise of the Wolves* is told from the point of view of Kaala, a young wolf born of a forbidden, mixed-blood litter. An outcast after her mother is exiled, Kaala struggles to earn her place in her pack. But her world is turned upside down when she rescues a human girl from drowning. Kaala and her young packmates begin hunting and playing with humans—risking expulsion from their pack and banishment from their home in the Wide Valley. When war between humans and wolves threatens, Kaala learns that she is the last in a long line of wolves charged with keeping watch over humans in order to prevent them from losing touch with nature and thus destroying the world. But to do so she must solve the great paradox of wolfkind: though wolves

must always be with humans, humans cannot abide the presence of wolves, and every time the two come together, war ensues. Kaala must choose between safety for herself, her friends, and their human companions and the survival of her pack—and perhaps all of wolf and humankind.

The Wolf's Chicken Stew Jul 09 2021 The wolf loves to eat more than anything in the world and one day he has a terrible craving for chicken stew. He spots a chicken who seems just right, but then he thinks how much more stew there will be if he fattens her up before dining himself. So he goes home and begins to cook all kinds of scrumptious food for the chicken to eat. A big surprise is in store for the wolf when he finally visits Mrs. Chicken to collect his meal.

Simon Thorn and the Wolf's Den Jan 23 2020 Twelve-year-old Simon Thorn's life has never been normal--especially since he's been keeping a big secret: he can talk to animals. But when his mom is suddenly kidnapped by a herd of New York City rats, Simon finds out that he, his mom, and his uncle are all Animalgams--someone born with the ability to change into an animal at will--and suddenly talking to animals doesn't seem so crazy after all. In search of his mom, Simon discovers that Animalgams belong to an ancient world made up of Five Animal Kingdoms (Mammals, Birds, Insects, Reptiles, and Underwater) which are now under attack . . . and Simon just may be the only one who can save them all. Imaginative and vivid with themes of bravery, loyalty, and finding one's true self, this exciting, five-book adventure series is perfect for fans of the Spirit Animals and The School of Good and Evil series.

The Wolves of Midwinter Dec 26 2022 NATIONAL

BESTSELLER • The tale of *The Wolf Gift* continues ... It is winter at Nideck Point and for Reuben Golding, now infused with the Wolf Gift, this promises to be a season like no other. Oak fires burn in the stately flickering hearths, and the community organizes its annual celebration of music and pageantry. Reuben is preparing to honor an ancient Midwinter festival with his fellow Morphenkinder—a secret gathering that takes place deep within the verdant recesses of the surrounding forests. However, Reuben is soon distracted by a ghost. Tormented, imploring, and unable to speak, it haunts the halls of the great mansion, drawing him toward a strange netherworld of new spirits, or “ageless ones.” And as the swirl of Nideck’s preparations reaches a fever pitch, they reveal their own dark magical powers.

The Rise of Wolf 8 Nov 13 2021 “The powerful origin story of one of Yellowstone’s greatest and most famous wolves.”
—Washington Post “[The Rise of Wolf 8] is a goldmine for information on all aspects of wolf behavior and clearly shows they are clever, smart, and emotional beings.”

—Psychology Today Yellowstone National Park was once home to an abundance of wild wolves—but park rangers killed the last of their kind in the 1920s. Decades later, the rangers brought them back, with the first wolves arriving from Canada in 1995. This is the incredible true story of one of those wolves. Wolf 8 struggles at first—he is smaller than the other pups, and often bullied—but soon he bonds with an alpha female whose mate was shot. An unusually young alpha male, barely a teenager in human years, Wolf 8 rises to the occasion, hunting skillfully, and even defending his family from the wolf who killed his father. But soon he faces

a new opponent: his adopted son, who mates with a violent alpha female. Can Wolf 8 protect his valley without harming his protégé? Authored by a renowned wolf researcher and gifted storyteller, *The Rise of Wolf 8* marks the beginning of *The Alpha Wolves of Yellowstone* series, which will transform our view of wolves forever.

Spirit of the Wolves Sep 23 2022 Set in Southern Europe at the end of the Ice Age, *Spirit of the Wolves* follows the visionary young she-wolf Kaala in the Wide Valley as she attempts to bring peace between wolves and humans, for the sake of both species. When some of the Swift River pack resists the attempts at bonding with mankind, Kaala and her closest friends must travel beyond the valley for the first time in their lives in order to find her long-lost mother and bring the Promise of the Wolves to reality. Meanwhile, TaLi, Kaala's faithful human companion, is being ruthlessly pursued by a rejected lover, and Kaala must balance keeping her safe with completing her quest. And with a rival wolf plotting to thwart their plans, Kaala must rely on her loved ones more than ever. But there are many dangers outside of the valley, and the young wolves have much to learn about the world outside their pack. This stunningly detailed journey, seen through the mind of a wolf, details the origins of the relationship between the human race and man's best friend.

Running with the Wolves Dec 22 2019 Robyn learns who is really living in the forest outside her town in this beginning reader based on the film, *WOLFWALKERS*. Each page features images from the film paired with simple sentences for young readers. A pronunciation guide and word list

enhance the educational value. About **WOLFWALKERS**: In a time of superstition and magic, a young apprentice hunter, Robyn Goodfellowe, journeys to Ireland with her father to wipe out the last wolf pack. While exploring the forbidden lands outside the city walls, Robyn befriends a free-spirited girl, Mebh, a member of a mysterious tribe rumored to have the ability to transform into wolves by night. As they search for Mebh's missing mother, Robyn uncovers a secret that draws her further into the enchanted world of the **WOLFWALKERS** and risks turning into the very thing her father is tasked to destroy.

The Wolves Are Watching Nov 25 2022 A fresh, compelling, and eerie exploration of small-town living, stolen children, and wolves that watch in the woods. The night little Madison disappears from her crib, Luce sees a pair of eyes--two points of gold deep in the forest behind her house--and feels certain they belong to a wolf. Her town, Picnic, Illinois, is the kind of place where everyone knows one another and no one locks their doors. It's not the kind of place where a toddler goes missing without a trace, where wolves lurk in the shadows. In town, people are quick to blame Madison's mom. But when Luce's English teacher shares an original script about the disappearance of another little girl in Picnic back in 1870, Luce begins to notice similarities that she can't ignore. Certain that something deeper is going on, Luce tracks the wolf she saw into the woods and uncovers the truth about her town: magical animal-women, who have remained hidden in shadows for centuries, have taken her cousin for their own purposes--and they have no intention of bringing her back. A chilling mystery that weaves elements of magical realism,

drama, and folklore into a story of one teen's bravery as she confronts her town's past and tries to save the future.

Wolf Mountains Oct 20 2019 "This book documents the changing tenets of landscape preservation and species protection in preserves of the United States and Canada through a capacious study of canine history."--BOOK JACKET.

Spirit Wolf Jan 03 2021 When earthquakes and erupting volcanoes strike the Beyond, Faolan and the other surviving wolves must head for the Distant Blue, where they hope to find a new home.

Wolf Haven Dec 02 2020 This stirring book of photographs introduces the many wolves that have been given sanctuary at Wolf Haven International near Mount Rainier in southeast Washington State. Annie Marie Musselman was given the rare opportunity to photograph the wolves at the Wolf Haven sanctuary. These captive-born and displaced wolves came from a variety of captive environments. Some of the highly endangered Mexican and red wolf pups will be raised with the possibility of future release into the wild. Human contact is very limited, so the images captured by Musselman express a wild spirit that is very different from anything seen in domesticated animals. Brenda Peterson's text puts the stories of these wolves, and of wolves in North America, into context as she describes their behavior patterns and social structure. Wolf Haven uncovers new truths about wolves and the ways humans are finding to coexist with these wild animals.

The Silver Wolf May 27 2020 In this new historical romantic fantasy of stunning originality and scope, Alice

Borchardt breathes life into a bygone age, brilliantly recreating a sensuous, violent world--and the men and women whose grand ambitions, betrayals, and passions shape the era in which they live and die. Decadent Rome at the dawn of the Dark Ages is mired in crumbling grandeur. Now, into the Eternal City comes Regeane, a beautiful young woman distantly related, through her dead mother, to Charlemagne. Regeane's regal blood renders her an unwilling pawn in the struggle for political power. But unknown to those plotting against her, the blood she has inherited from her murdered father makes her much more than a child of royalty. Possessed of preternatural agility and strength, primal memories extending back thousands of years, and senses so keen they can pierce the veil of death itself, Regeane is a shapeshifter: woman and wolf, hunter and hunted. Betrothed by Charlemagne's command to a barbarian lord she has never seen, Regeane is surrounded by enemies. The most notorious, her depraved uncle and guardian, will not scruple to betray her to the Church unless she aids him in his sinister schemes. And if the Church discovers her secret, Regeane will burn at the stake. Yet Regeane finds allies as well: Lucilla, rumored to be the private courtesan of Pope Hadrian himself; Antonius, a wise and gentle soul trapped within a body grotesquely disfigured by disease; and the little Saxon girl Elfgifa, brave beyond her years, with a tongue as sharp as a blade. Outside the gates of Rome, baying on the moonlit expanses of the Campagna, there is a mysterious dark wolf whose scent makes the animal in Regeane tremble with desire. Now, as an infamous stranger prepares to claim his bride, deadly plots and counter plots tighten like a noose

around her neck, Regeane must fight to live with dignity as the proud creature she is: civilized and savage, woman and wolf, partaking of both yet infinitely more than either . . . Lyrical, fast-paced, sensual, and rich with historical detail and deep insights into the heart, *The Silver Wolf* catapults Alice Borchardt squarely into the front rank of contemporary women writers. Her intricate plot and hypnotic voice will cast a spell that few will be able to resist.

The Wolves of Paris Jul 29 2020 A terrifying, suspenseful, and grim exploration of the circumstances under which animals become man-killers as told from the perspective of a huge and formidable wolf-dog. Based on true events in 18th century France.

Season of the Wolf Feb 16 2022 In a world of danger and uncertainty, the Alpha has enough to worry about without him... For Alpha Evie Kitwanasdottir, things are never easy. The Great North Pack has just survived a deadly attack. Evie is determined to do whatever is necessary to keep her Pack safe, especially from the four Shifters who are their prisoners. Constantine lost his parents and his humanity on the same devastating day. He has been a thoughtless killer ever since. When Constantine is moved to live under Evie's watchful eye, he discovers that taking directions and having a purpose are not the same thing. Each moment spent together brings new revelations to Constantine, who begins to understand the loneliness of being Alpha. He finds strength and direction in helping Evie, but there is no room for a small love in the Pack, so Constantine must work harder than ever to prove to Evie he is capable of a love big enough for the Great North Pack itself. *The Legend of All Wolves*

The Wolves of Isle Royale Dec 14 2021 A new edition of a
classic: the compelling firsthand account of an ancient
predator-prey relationship---the Isle Royale wolf and moose
dynamic

Wolf Among Wolves Nov 01 2020 Hailed as “Fallada’s best
book” (The New Yorker), this sprawling post-WWI is a
portrait of Berlin in a time of great upheaval—and of the
common man’s struggle to survive it all Set in Weimar
Germany soon after Germany’s catastrophic loss of World
War I, the story follows a young gambler who loses
everything in Berlin, then flees the chaotic city, where
worthless money and shortages are causing pandemonium.
Once in the countryside, however, he finds a defeated

German army that has decamped there to foment insurrection. Somehow, amidst it all, he finds romance—it's *The Year of Living Dangerously* in a European setting. Fast-moving as a thriller, fascinating as the best historical fiction, and with lyrical prose that packs a powerful emotional punch, *Wolf Among Wolves* is the equal of Fallada's acclaimed *Every Man Dies Alone* as an immensely absorbing work of important literature. "An unmissably brilliant portrait of Berlin before the Nazis." —*The Times of London*

Julie's Wolf Pack Sep 30 2020 The acclaimed final book in the trilogy that begins with the Newbery Medal-winning *Julie of the Wolves* In this exciting adventure about the wolf pack that saved the life of a young girl when she was lost on the tundra, Julie has returned to her family, but her wolf pack has a story all its own. Fearless but inexperienced Kapu is now the new leader of the pack. He must protect his wolves from the threats of famine and disease and, at the same time, defend himself from bitter rivals, both inside and outside the pack, who are waiting for their chance to overthrow him. The strength of Kapu's leadership will determine not just the well-being of the pack but its very survival. Jean Craighead George's research and first-hand observation form this engrossing epic tale that's sure to draw readers into the fascinating world of wolves. Don't miss any of the books in Jean Craighead George's groundbreaking series: *Julie of the Wolves*, *Julie*, and *Julie's Wolf Pack*.

The Wolves Return Jun 20 2022 In 1995 - 96 twenty-three grey wolves were released in Yellowstone National Park where, due to over-hunting, there had been no wolves at all for almost seventy years. This reintroduction project was an

overwhelming success. Over twenty years later we can still see the changes the grey wolves brought to Yellowstone National Park. Now that the elk graze higher ground, seedlings are growing tall, rivers are getting deeper as beavers return, and a lively pond ecosystem is developing. This true story offers an important lesson about the difference one creature can make in creating a healthy, thriving world. Acclaimed environmental author and illustrator Celia Godkin delivers an inspiring, feel-good environmental story that is the perfect follow up to her most recent nonfiction picture book, *Skydiver: Saving the Fastest Bird in the World*, a Bank Street Best Book that was also shortlisted for several awards. *The Wolves Return* features Godkin's evocative, full-spread pencil crayon and watercolour illustrations and is further enhanced by extensive information on the Yellowstone Wolf Project, including maps and statistics that will fascinate young animal lovers and inquisitive minds.

Julie of the Wolves Feb 22 2020 The thrilling Newbery Medal-winning classic about a girl lost on the Alaskan tundra and how she survives with the help of a wolf pack. *Julie of the Wolves* is a staple in the canon of children's literature and the first in the Julie trilogy. The survival theme makes it a good pick for readers of wilderness adventures such as *My Side of the Mountain*, *Hatchet*, or *Island of the Blue Dolphins*. To her small village, she is known as Miyax; to her friend in San Francisco, she is Julie. When her life in the village becomes dangerous, Miyax runs away, only to find herself lost in the Alaskan wilderness. Miyax tries to survive by copying the ways of a pack of wolves and soon

grows to love her new wolf family. Life in the wilderness is a struggle, but when she finds her way back to civilization, Miyax is torn between her old and new lives. Is she the Miyax of her human village—or Julie of the wolves? Don't miss any of the books in Jean Craighead George's groundbreaking series: *Julie of the Wolves*, *Julie*, and *Julie's Wolf Pack*.

The Wolf Aug 30 2020 The intimate, involving story of the rise and reign of O-Six, the fabled Yellowstone wolf, and the people who loved or feared her. For readers of *H is for Hawk*, captivating works of reportage, and iconic books on the American West. Before humans ruled the Earth, there were wolves. Once abundant in the United States, these majestic creatures were hunted to near extinction by the 1920s. But in recent decades, conservationists have brought wolves from Canada back to Yellowstone National Park, igniting a battle over the very soul of the American West. With novelistic detail, Nate Blakeslee tells the gripping story of one of these wolves, a charismatic alpha female named O-Six. She's a kind and merciful leader, a fiercely intelligent fighter, and a doting mother. Beloved by wolf watchers, particularly Yellowstone park ranger Rick McIntyre, O-Six becomes something of a social media star, with followers around the world. But as she raises her pups and protects her pack, O-Six is being challenged on all fronts: by hunters and their professional guides, who compete with wolves for the elk they all prize; by cattle ranchers who are losing livestock and have the ear of politicians; and by other Yellowstone wolves who resent her dominance of the stunningly beautiful Lamar Valley. These forces collide in *The Wolf*, a riveting

multigenerational wildlife saga that tells a larger story about the clash of values in the West--between those fighting for a vanishing way of life and those committed to restoring one of the country's most vibrant landscapes.

The Wolves of Midwinter Oct 24 2022 NATIONAL BESTSELLER • The tale of *The Wolf Gift* continues ... It is winter at Nideck Point and for Reuben Golding, now infused with the Wolf Gift, this promises to be a season like no other. The Wolves in the Walls Jun 27 2020 When Lucy hears noises from behind the wall she tries to warn her parents that there are wolves banging about. But her parents don't listen. When the wolves finally take over the house and Lucy and her family are evicted to live in the garden, her parents realise perhaps they should have listened. But Lucy is no shrinking violet and pretty soon she has the wolves out and the family back in the house. So what was that noise Lucy heard coming from behind the wall ...? A brilliant, witty and inventive picture book with cutting-edge art, which is sure to be a hit with existing fans of Neil Gaiman as well as young

readers

Wolves and the Wolf Myth in American Literature Jul 21

2022 The wolf is one of the most widely distributed canid species, historically ranging throughout most of the Northern Hemisphere. For millennia, it has also been one of the most pervasive images in human mythology, art, and psychology. *Wolves and the Wolf Myth in American Literature* examines the wolf's importance as a figure in literature from the perspectives of both the animal's physical reality and the ways in which writers imagine and portray it. Author S. K. Robisch examines more than two hundred texts written in North America about wolves or including them as central figures. From this foundation, he demonstrates the wolf's role as an archetype in the collective unconscious, its importance in our national culture, and its ecological value. Robisch takes a multidisciplinary approach to his study, employing a broad range of sources: myths and legends from around the world; symbology; classic and popular literature; films; the work of scientists in a number of disciplines; human psychology; and field work conducted by himself and others. By combining the fundamentals of scientific study with close readings of wide-ranging literary texts, Robisch astutely analyzes the correlation between actual, living wolves and their representation on the page and in the human mind. He also considers the relationship between literary art and the natural world, and argues for a new approach to literary study, an ecocriticism that moves beyond anthropocentrism to examine the complicated relationship between humans and nature.

Secrets of the Wolves Aug 22 2022 The second installment in

The Wolf Chronicles finds Kaala struggling with the consequences of forming the first mixed wolf-human pack. When the Wolves Returned Jun 08 2021 Yellowstone National Park's majestic geologic wonders and remarkable wildlife draw millions of visitors each year. But there was a time when these natural treasures were in great danger, all because after years of unrestricted hunting, one key piece of the puzzle had been eliminated-the wolf. Now, more than a decade after scientists realized the wolves' essential role and returned them to Yellowstone, the park's natural balance is gradually being restored. The informative dual-level text and spectacular full-color photographs show the wolves in the natural habitat that was almost lost without them. Readers of all ages will be inspired by the delicate natural system that is Yellowstone.

Night of the Wolf Sep 11 2021 The Silver Wolf, Alice Borchardt's acclaimed novel of a shapeshifter's struggle to survive as woman and wolf amid the Dark Ages, announced the arrival of a ferociously gifted writer. Now, with her masterful weaving of adventure, history, and magic, Borchardt delves deeper into the shape-shifter legend, and brings an earlier, more savage time brilliantly to life. The fearsome legions of Julius Caesar have crushed resistance to Roman rule. The power of the druids is broken; the shattered tribes retreating to the dubious safety of the high mountains or fleeing north into lands as inhospitable as those left behind. Watching all the while through yellow eyes afire with curiosity and intelligence is Maeniel, a gray wolf . . . who is also a man. This is not the Maeniel of The Silver Wolf. Not the mature shapeshifter, secure in his dual nature,

whose hard-won wisdom is the equal of his preternatural strength and passion. That Maeniel will not exist for another eight hundred years. Now he is a stranger to his human half, his reason chained to instinct. Yet as the ancient civilization of the Gallic tribes is systematically destroyed around him, a new Maeniel is about to be born from the ruins. It begins with a woman. She is Imona: young, proud, beautiful. The sight of her fills Maeniel with unfamiliar feelings and desires, triggering his transformation from wolf to man. In her arms he learns for the first time what it means to love. It is a knowledge that will change him forever. For when Imona vanishes following a Roman massacre, Maeniel begins to learn a very different lesson. Following Imona's trail as wolf and man, Maeniel is himself pursued by a warrior woman sworn to kill him. She is Dryas, a queen without a kingdom. But the two adversaries will prove to have much in common. And the hunt upon which they embark will lead them farther than they can imagine: to the gates of Rome itself. To the gates of their very souls . . . With *Night of the Wolf*, Alice Borchardt has given us another triumph of soaring imagination and adventure. By turns lyrical, sensuous, and violent, hers is a vision of the past that will stir both heart and mind. Her writing will possess you like a fever . . . and haunt you like a voluptuous dream.

Child of the Wolves Oct 12 2021 Granite, a Siberian husky puppy, is all alone in the Alaskan forest after escaping from his kennel. Each moment of his life is threatened until Snowdrift, a great white wolf, welcomes him into a wolf pack. But Granite must earn his place among the wolf tribe by facing vicious attacks from the other wolves, the human

wolf hunters, and the constant challenges of the frozen forest.

Wolf 's Paws - Shadow of the Wolves Nov 20 2019 0,99 Cent Preisaktion

Aus Geschichten wurden Legenden ... Aus Legenden wurden Mythen ... Doch was passiert, wenn Mythen Wirklichkeit werden? Wolf 's Paws - Shadow of the Wolves Die Geschichte einer jungen Frau, die auf schmerzhaft Weise lernen muss, dass Mythen auch in der heutigen Zeit real werden können. Als es Lily vor über einem Jahr nach Leipzig verschlug, ahnte sie nicht, dass ihr sonst eher bescheidenes und langweiliges Leben sich schlagartig ändern würde. Und schuld daran war eine simple Dokumentation über einen Cherokee-Clan. Als sie dann auch noch den charmanten und geheimnisvollen Maik kennenlernt, ist das Chaos perfekt. Doch was für ein Geheimnis verbirgt sich hinter diesem mysteriösen fremden Mann? Und was hat es mit den schrecklichen Albträumen auf sich, die sie seit ihrer Rückkehr plagen?

Keepers of the Wolves Mar 17 2022 It was 1978, and there had been no resident timber wolves in Wisconsin for twenty years. Still, packs were active in neighboring Minnesota, and there was the occasional rumor from Wisconsin's northwestern counties of wolf sign or sightings. Had wolves returned on their own to Wisconsin? Richard Thiel, then a college student with a passion for wolves, was determined to find out. Thus begins Keepers of the Wolves, Thiel's tale of his ten years at the center of efforts to track and protect the recovery of wolves in Northern Wisconsin. From his early efforts as a student enthusiast to his departure in 1989 from the post of wolf biologist for the Department of Natural Resources, Thiel conveys the wonder, frustrations, humor,

and everyday hard work of field biologists, as well as the politics and public relations pitfalls that so often accompany their profession. We share in the excitement as Thiel and his colleagues find wolf tracks in the snow, howl in the forest night and are answered back, learn to safely trap wolves to attach radio collars, and track the packs' ranges by air from a cramped Piper Cub. We follow the stories of individual wolves and their packs as pups are born and die, wolves are shot by accident and by intent, ravages of canine parvovirus and hard winters take their toll, and young adults move on to new ranges. Believing he had left his beloved wolves behind, Thiel takes a new job as an environmental educator in central Wisconsin, but soon wolves follow. By 1999, there were an estimated 200 timber wolves in 54 packs in Wisconsin. This is a sequel to Dick Thiel's 1994 book, *The Timber Wolf in Wisconsin: The Death and Life of a Majestic Predator*. That book traced the wolf's history in Wisconsin, its near extinction, and the initial efforts to reestablish it in our state. Thiel's new book looks at how successful that program has been.

Among the wolves Aug 10 2021 The fascinating story of Toni's life with eleven charismatic wolves at the UK Wolf Conservation Trust, Berkshire, England. Over ten years, she handled, raised, cared for and nursed these amazing creatures, and within these pages you will come to know the characters; laugh at their sense of fun, mourn at their passing – and learn to love them as she does. Describing some of the best and worst of times, discover what happens behind closed doors when the public goes home, leaving just Toni and the wolves ...

The Wolves of Yellowstone Mar 05 2021 Historical records and intensive field surveys 1975-77 provided information on the population history, ecology, and current status of wolves (*Canis lupus*) in Yellowstone National Park and vicinity. Wolves occurred in unknown but seemingly low densities during the latter 1800s in several areas of Yellowstone where they were controlled periodically until 1926. Populations apparently began increasing about 1912, primarily in the northeast, and may have reached nonequilibrium levels of 30-40 animals (postwhelping). Intensive control 1914-26 removed at least 136 wolves, including about 80 pups. During this period Yellowstone wolves characteristically lived in packs of 3-16 members, some of which followed the ungulates in their seasonal migrations. Litters averaging 7.8 were born in late March and April, primarily in the north central sector of the park. Limited evidence suggests that elk (*Cervus elaphus*) were important food for wolves during all seasons. Wolves either survived the control era or moved in shortly thereafter for singles, pairs, and a pack of four were reported the following decade. Resident wolf packs, however, were eliminated from Yellowstone National Park by the 1940s. Large canids have been sighted intermittently to the present, but their identity has not been established. Singles and pairs comprised 89% of 116 "probable" reports over the past 50 years. Speculation about factors limiting the Yellowstone wolf population considers its relative geographic isolation from viable wolf populations and possible genetic problems (including wolf-coyote hybridization) associated with prolonged minimal population status. A transplant of wolves from British Columbia or

Alberta, or perhaps Minnesota, is recommended to restore a viable population of this native predator to Yellowstone National Park.

The Wolf's Curse Apr 18 2022 “I am obsessed with this story!”—Erin Entrada Kelly, author of the Newbery Honor Book *We Dream of Space* “Boldly tells readers to take a closer look at the stories they’re told—not to mention at the wolves that might be lurking in the shadows. A clear-eyed, big-hearted fable of compassion, friendship, and love.”—Anne Ursu, author of *The Real Boy* “A lyrical tale of loss and survival, tradition and belief, in which tension and secrets build like a towering wave.”—Diane Magras, author of *The Mad Wolf's Daughter* “A fable as polished and timeless as a fine wooden toy.”—Catherine Gilbert Murdock, author of the Newbery Honor Book *The Book of Boy* Shunned by his fearful village, a twelve-year-old apprentice embarks on a surprising quest to clear his name, with a mythic—and dangerous—wolf following closely at his heels. Jessica Vitalis’s debut is a gorgeous, voice-driven literary fantasy about family, fate, and long-held traditions. *The Wolf's Curse* will engross readers of *The Girl Who Drank the Moon* and *A Wish in the Dark*. Gauge’s life has been cursed since the day he cried Wolf and was accused of witchcraft. The Great White Wolf brings only death, Gauge’s superstitious village believes. If Gauge can see the Wolf, then he must be in league with it. So instead of playing with friends in the streets or becoming his grandpapa’s partner in the carpentry shop, Gauge must hide and pretend he doesn’t exist. But then the Wolf comes for his grandpapa. And for the first time, Gauge is left all alone, with a bounty on his

head and the Wolf at his heels. A young feather collector named Roux offers Gauge assistance, and he is eager for the help. But soon the two—both recently orphaned—are questioning everything they have ever believed about their village, about the Wolf, and about death itself. Narrated by the sly, crafty Wolf, Jessica Vitalis's debut novel is a vivid and literary tale about family, friendship, belonging, and grief. The Wolf's Curse will captivate readers of Laurel Snyder's Orphan Island and Molly Knox Ostertag's The Witch Boy.

Never Cry Wolf Apr 06 2021 This international bestseller that changed the way we look at wolves “opens new horizons in understanding animal nature and intelligence” (Newsday). In 1948, Farley Mowat landed in the far north of Manitoba, Canada, a young biologist sent to investigate the region's dwindling population of caribou. Many people thought that the caribou's conspicuous decline had been caused by the tundra's most notorious predator: the wolf. Alone among the howling canine packs, Mowat expected to find the bloodthirsty beasts of popular conception. Instead, over the course of a summer spent observing the powerful animals, Mowat discovered an animal species with a remarkable capacity for loyalty, virtue, and playfulness. Praised for its humor and engrossing narrative, *Never Cry Wolf* describes a group of wolves whose interactions and behaviors seem strikingly similar to our own. Mowat humanizes these animals that have long been demonized, turning the widespread narrative of the “savage wolf” on its head and inspiring many governments to enact protective legislation for the North's most mysterious creature.

Wolves of the Beyond #3: Watch Wolf May 07 2021 A wolf's eye view of the legends of Ga'Hoole in this stirring third installment of the Wolves of Beyond series by bestselling author Kathryn Lasky. Born with a twisted paw, Faolan was abandoned as a wolf pup and left to die. But not only did he survive and make it back to the wolf clan, he proved himself to be one of the most worthy wolves of all. But just as Faolan is about to take his place as one of the revered Wolves of the Watch, a fellow watch wolf goes missing. Faolan is sent to track her down and makes a horrifying discovery - she has been kidnapped by bears. A war is coming between the wolves and the bears, and only Faolan can stop it.

Lone Wolf Jan 27 2023 Abandoned by his pack, a baby wolf with a mysterious mark on his deformed paw survives and embarks on a journey that will change the world of the wolves of the Beyond.

Women Who Run with the Wolves Apr 25 2020 NEW YORK TIMES BESTSELLER • One million copies sold! “A deeply spiritual book [that] honors what is tough, smart and untamed in women.”—The Washington Post Book World Book club pick for Emma Watson’s Our Shared Shelf Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society’s attempt to “civilize” us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich

intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

A Wolf's Life Feb 04 2021 A young child joins his scientist parents as they observe the behavior a wolf pack over the course of one year. The narrator decides to keep a diary and records how the pack's alpha pair digs a den and then raises a litter of cubs. From watching the cubs emerge from the den for the first time, to seeing the cubs grow into adults and find their places in the hierarchy of the pack, the reader will follow the daily life of the close-knit wolf family. Colorful photos, diagrams, and clear, age-appropriate text will engage young readers as they explore the life cycle, natural habitat, physical characteristics, diet, and behavior of these intelligent and fascinating animals. The diary format models scientific observation and critical thinking—and encourages children to keep notebooks recording their own investigations into the natural world.
