With more than 12 million books in print, rights sold in almost forty countries, and more than two years on The New York Times bestseller list (reaching as high as #1), P.C. Cast and Kristin Cast's House of Night series is an international publishing sensation. Now, for a great value, new and old fans alike can go back to where it all began, with *Marked* and *Betrayed*, together for the first time in one beautiful paperback edition. When sixteen-year-old Zoey Redbird is "Marked" by a vampyre tracker and begins to undergo the "Change" into an actual vampyre, she has to leave her family and move into the House of Night, a boarding school in Tulsa, Oklahoma, for other fledgling vampyres like her. It's tough to begin a new life away from her parents and friends, and on top of that, Zoey finds she is no average fledgling. She has been singled out by the vampyre Goddess, Nyx. Although Zoey has awesome new powers, it's hard to fit in when everyone knows she's special. As she tries to make new friends and maybe find a hot boyfriend (or two), she comes up against all kinds of evil, from the perfect-looking, super-popular girl with not-so-faultless plans, to the mysterious deaths happening at the House of Night and all over Tulsa. Things at the House of Night are not always what they seem. Can Zoey find the courage deep within herself to discover the truth and embrace her destiny? Abby Abernathy is re-inventing herself as the good girl as she begins her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy. Talia fell under a spell Jack broke the curse. I was told to beware the accursed spindle, but it was so enchanting, so hypnotic. .

. . . I was looking for a little adventure the day I ditched my tour group. But finding a comatose town, with a hot-looking chick asleep in it, was so not what I had in mind. I awakened in the same place but in another time—to a stranger's soft kiss. I couldn't help kissing her. Sometimes you just have to kiss someone. I didn't know this would happen. Now I am in dire trouble because my father, the king, says I have brought ruin upon our country. I have no choice but to run away with this commoner! Now I'm stuck with a bratty princess and a trunk full of her jewels. . . . The good news: My parents will freak! Think you have dating issues? Try locking lips with a snoozing stunner who turns out to be 316 years old. Can a kiss transcend all—even time? When friends stop trusting each other, Darkness is there to fan the flames.... Things have turned black at the House of Night. Zoey Redbird's soul has shattered. With everything she's ever stood for falling apart, and a broken heart making her want to stay in the Otherworld forever, Zoey's fading fast. It's seeming more and more doubtful that she will be able pull herself back together in time to rejoin her friends and set the world to rights. As the only living person who can reach her, Stark must find a way to get to her. But how? He will have to die to do so, the Vampyre High Council stipulates. And then Zoey will give up for sure. There are only 7 days left... Enter BFF Stevie Rae. She wants to help Z but she has massive problems of her own. The rogue Red Fledglings are acting up, and this time not even Stevie Rae can protect them from the consequences. Her kinda boyfriend, Dallas, is sweet but too nosy for his own good. The truth is, Stevie Rae's hiding a secret that might be the key to getting Zoey home but also threatens to explode her whole world. In the middle of the whole mess is Aphrodite: ex-Fledgling, trust-fund baby, total hag from Hell (and proud of it). She's always been blessed (if you could call it that) with visions that can reveal the future, but now it seems Nyx has decided to speak through her with the goddess's own voice, whether she wants it or not. Aphrodite's loyalty can swing a lot of different ways, but right now Zoey's fate hangs in the balance. Three girls... playing with fire... if they don't watch out, everyone will get Burned. Dark forces are at work at the House of Night and fledgling vampyre Zoey Redbird's adventures at the school take a mysterious turn. Those who appear to be friends are turning out to be enemies. And oddly enough, sworn enemies are also turning into friends. So begins the gripping third installment of this "highly addictive series" (Romantic Times), in which Zoey's mettle will be tested like never before. Her best friend, Stevie Rae, is undead and struggling to maintain a grip on her humanity. Zoey doesn't have a clue how to help her, but she does know that anything she and Stevie Rae discover must be kept secret from everyone else at the House of Night, where trust has become a rare commodity. Speaking of rare: Zoey finds herself in the very unexpected and rare position of having three

boyfriends. Mix a little bloodlust into the equation and the situation has the potential to spell social disaster. Just when it seems things couldn't get any tougher, vampyres start turning up dead. Really dead. It looks like the People of Faith, and Zoey's horrid step-father in particular, are tired of living side-by-side with vampyres. But, as Zoey and her friends so often find out, how things appear rarely reflects the truth... Chosen is the third in the House of Night series by P. C. Cast and Kristin Cast. Zoey is finally home where she belongs, safe with her Guardian Warrior, Stark, by her side, and preparing to face off against Neferet – which would be a whole lot easier if the High Counsel saw the ex-High Priestess for what she really is. Kalona has released his hold on Rephaim, and, through Nyx's gift of a human form, Rephaim and Stevie Rae are finally able to be together – if he can truly walk the path of the Goddess and stay free of his father's shadow... But there are new forces at work at the House of Night. An influx of humans, including Lenobia's handsome horse whisperer, threatens their precarious stability. And then there's the mysterious Aurox, a jaw-droppingly gorgeous teen boy who is actually more – or possibly less – than human. Only Neferet knows he was created to be her greatest weapon. But Zoey can sense the part of his soul that remains human, the compassion that wars with his Dark calling. And there's something strangely familiar about him... Will Neferet's true nature be revealed before she succeeds in silencing them all? And will Zoey be able to touch Aurox's humanity in time to protect him – and everyone – from his own fate? Find out what's destined in the next thrilling chapter of the House of Night series.

A sweeping, propulsive family saga set on a romantic and beautiful Italian island, for fans of Captain Corelli's Mandolin and Beautiful Ruins. On the tiny, idyllic island of Castellamare, off the coast of Sicily, lies The House at the Edge of Night, an ancient bar run by the Esposito family. There, over the course of three generations--from the eve of World War One to the aftershocks of the 2008 financial crisis--the Esposito women will fight to hold their family together against the threats that break across their shores. As lush and magical as the island at its centre, The House at the Edge of Night is a story of love and secrets, endurance, loss and, ultimately, triumph.

"The best fantasy novel I've read in years, because it's about real people...Impossible to put down." —Stephen King

The smash New York Times bestseller from Leigh Bardugo, a mesmerizing tale of power, privilege, and dark magic set among the Ivy League elite. Goodreads Choice Award Winner Locus Finalist

Galaxy "Alex" Stern is the most unlikely member of Yale's freshman class. Raised in the Los Angeles hinterlands by a hippie mom, Alex dropped out of school early and into a world of shady drug-dealer boyfriends, dead-end jobs, and much, much worse. In fact, by age twenty, she is the sole survivor of a horrific, unsolved multiple homicide. Some might say she's thrown her life away.

But at her hospital bed, Alex is offered a second chance: to attend one of the world's most prestigious universities on a full ride. What's the catch, and why her? Still searching for answers, Alex arrives in New Haven tasked by her mysterious benefactors with monitoring the activities of Yale's secret societies. Their eight windowless "tombs" are the well-known haunts of the rich and powerful, from high-ranking politicians to Wall Street's biggest players. But their occult activities are more sinister and more extraordinary than any paranoid imagination might conceive. They tamper with forbidden magic. They raise the dead. And, sometimes, they prey on the living. Don't miss the highly-anticipated sequel, *Hell Bent*. The moment Other Kevin returns to his world trouble begins. Thankfully, he finds friends and allies—some expected, some unexpected—and soon discovers he, like his sister, can wield Old Magick. But without a mentor to help him, will Kevin be tempted to embrace Darkness? Back in our Tulsa, things have settled down since Zoey and the gang closed the tear between worlds. A new school year has begun, and Zoey's exchange student program with public schools is really taking off. All is well. But if all is well, why is Zoey increasingly withdrawn and moody? Stark thinks he knows what's wrong—and he is determined not to lose Zoey to the Other World and Heath, who is there and very much alive. Stevie Rae thinks she knows what's wrong—Z just needs a break. Maybe a little vacay? And the rest of the Nerd Herd thinks their Z will be fine—just give her some time to stop missing (and worrying about) Other Kevin. But Zoey knows the truth. In the Other World her brother is using Old Magick, unaware of the dangers it holds. Without guidance, what will stop him from giving in to the potent pull of Old Magick? Without her guidance, Other Kevin could lose more than the war against Neferet—he could lose his soul. And Z knows she must help him—after all, he is her little brother ... In *Lost*, we follow Zoey, Stevie Rae, and Rephaim to an alternative version of the House of Night, where dangers take the form of friends, and allies are found in the strangest places. So...you'd think after banishing an immortal being and a fallen High Priestess, saving Stark's life, biting Heath, getting a headache from Erik, and almost dying, Zoey Redbird would catch a break. Sadly, a break is not in the House of Night school forecast for the High Priestess in training and her gang. Juggling three guys is anything but a stress reliever, especially when one of them is a sexy Warrior who is so into protecting Zoey that he can sense her emotions. Speaking of stress, the dark force lurking in the tunnels under the Tulsa Depot is spreading, and Zoey is beginning to believe Stevie Rae could be responsible for a lot more than a group of misfit red fledglings. Aphrodite's visions warn Zoey to stay away from Kalona and his dark allure, but they also show that it is Zoey who has the power to stop the evil immortal. Soon it becomes obvious that Zoey has no choice: if she doesn't go to Kalona he will exact a fiery

vengeance on those closest to her. Will Zoey have the courage to chance losing her life, her heart, and her soul? Find out in the next spectacular installment in the House of Night Series, *Tempted*. But all is not well in T-Town. Strange, dark signs are appearing—could it be possible Neferet is stirring? Not willing to chance disaster striking again, Zoey calls on her newly reunited friends to circle with her and add a layer of protection over Neferet's grotto jail. Easy-peasy, right? Wrong. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world. So...you'd think after banishing an immortal being and a fallen High Priestess, saving Stark's life, biting Heath, getting a headache from

Erik, and almost dying, Zoey Redbird would catch a break. Sadly, a break is not in the House of Night school forecast for the High Priestess in training and her gang. Speaking of friends, the only two Zoey has left are undead and unMarked. And Neferet has declared war on humans, which Zoey knows in her heart is wrong. But will anyone listen to her? Zoey's adventures at vampyre finishing school take a wild and dangerous turn as loyalties are tested, shocking true intentions come to light, and an ancient evil is awakened in PC and Kristin Cast's spellbinding fourth House of Night novel. (Recommended for readers age 13 and older) Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampyre friends. A

latest entry in the popular series reveals the secret history of the Tulsa House of Night's darkly seductive High Priestess, Neferet, tracing her past as a motherless girl in turn-of-the-century Chicago whose beauty renders her an object of unwanted attention and abuse, and who gains vengeful, magickal strength after being Marked. "I guess it had gone okay with Stevie Rae. I mean, she had agreed to meet me tomorrow. And she hadn't tried to bite me, which was a plus. Of course, the whole trying-to-eat-the-street-person thing was highly disturbing . . ." Zoey's best friend, Stevie Rae, is undead - in an eww! zombie! kind-of-way, not in a cool vampire kind-of-way. She's struggling to retain her humanity and Zoey doesn't have a clue how to help. But she does know that anything they discover must be kept secret. Trust has become a rare commodity. Sinister forces are at work at the House of Night, where the line between friend and enemy is becoming dangerously blurred. - Not suitable for younger readers - A penultimate installment in the best-selling series finds a vengeful and drastically altered Neferet threatening the human population of Tulsa as well as Zoey and her friends, who are blamed for the ensuing chaos and challenged to prevent a supernatural war. This is the first coloring book for the blockbuster HOUSE OF NIGHT series. Illustrated by an incredibly talented tattoo artist, PC Cast's world and characters come magically alive for fans of tattoo art, as well as fans of the series. Included is a crossword puzzle and a Q&A session with questions submitted by HoN fans and answered by PC Cast. Welcome to the House of Night! We hope you enjoy adding your own touch to the world! Fog rolls into Tulsa, and with it comes Darkness. Zoey knows something is up, and that the something involves Neferet, but Neferet can't possibly be freed, right? Other Neferet and her companion, Lynette, arrive in Woodward Park to set this world's Neferet free from her grotto prison, and discover there may be those who sympathize with their cause. Meanwhile, Other Kevin and Other Stark are hot on their trail, but how can the new friends travel to this world without invoking Old Magick and paying a costly, perhaps deadly, price? In Found, the culmination of the House of Night Other World series, a surprisingly talented fledgling, an immortal, and the unlikeliest of allies will band together with Zoey and the Nerd Herd. Will they be powerful enough to defeat her old nemesis, or will two worlds be destroyed and claimed by Darkness? Find out in the thrilling conclusion to the House of Night Other World series! "My love, speak to me. Tell me everything." Neferet went to Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There,

on my own terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High Priestess at Tulsa's House of Night, Neferet has sworn vengeance on Zoey. Dominion over Kalona is only one of the weapons she plans to use against Z. But Zoey has found sanctuary on the Isle of Skye and is being groomed by Queen Sgiach to take over for her there. Being Queen would be cool, wouldn't it? Why should she return to Tulsa? After losing her human consort, Heath, she will never be the same – and her relationship with her super-hot-warrior, Stark, may never be the same either... And what about Stevie Rae and Rephaim? The Raven Mocker refuses to be used against Stevie Rae, but what choice does he have when no one in the entire world, including Zoey, would be okay with their relationship? Does he betray his father or his heart? In the pulse-pounding 8th book in the bestselling House of Night series, how far will the bonds of friendship stretch and how strong are the ties that bind one girl's heart? Dare to enter the House of Night, the phenomenal #1 New York Times bestselling young adult series from P.C. Cast and Kristin Cast, with this all new e-original collection of the first four books, including *Marked*, *Betrayed*, *Chosen* and *Untamed*.

Marked Zoey enters the House of Night, a school where, after having undergone the Change, she will train to become an adult vampire--that is, if she makes it through the Change. Not all of those who are chosen do. It's tough to begin a new life, away from her parents and friends, and on top of that, Zoey finds she is no average fledgling. *Betrayed* Fledgling vampyre Zoey Redbird has managed to settle in at the House of Night. She's come to terms with the vast powers the vampyre goddess, Nyx, has given her, and is getting a handle on being the new Leader of the Dark Daughters. Best of all, Zoey finally feels like she belongs--like she really fits in. She actually has a boyfriend...or two. Then the unthinkable happens: Human teenagers are being killed, and all the evidence points to the House of Night. *Chosen* Dark forces are at work at the House of Night and fledgling vampyre Zoey Redbird's adventures at the school take a mysterious turn. Those who appear to be friends are turning out to be enemies. And oddly enough, sworn enemies are also turning into friends. So begins the gripping third installment of this "highly addictive series" (Romantic Times), in which Zoey's mettle will be tested like never before. *Untamed* Life sucks when your friends are pissed at you. Just ask Zoey Redbird – she's become an expert on suckiness. In one week she has gone from having three boyfriends to having none, and from having a close group of friends who trusted and supported her, to being an outcast. Speaking of friends, the only two Zoey has left are undead and unMarked. And Neferet has declared war on humans, which Zoey knows in her heart is wrong. But will anyone listen to her?
