The Rich Boy Oct 24 2022 I'm the type of girl who's given up on fairy tales. So when Beck – the hot new busboy at work – starts flirting with me, I know better than to get my hopes up. Happily ever afters aren't for the average. I learned that the hard way. But how can I be expected to resist a man who can quote Austen, loves making me laugh, and seems to be everything hot and good in this world? Only there's so much more to him than that. Billionaire playboy? Check. Troubled soul? Check. The owner of my heart, the man I've moved halfway across the country to be with, who's laying the world at my feet in order to convince me to never leave? Check. Check. Check. But nobody does complicated like the one percent. This is not your everyday rags-to-riches, knight-in-shining armor whisking the poor girl off her feet kind of story. No, this is much messier. "Rich Boy takes you on a literal ride! Funny. Angsty. There's mean rich people and people you root for. The complexity of the characters was refreshing and made me wish for more!"—Audrey Carlan, #1 New York Times bestselling author

Hope's Delta Mar 25 2020 Hope Mitchell lived her life on the outskirts, no attachments, no friends, no family. All of this by design. All of it because she knew the pain that came when you lost someone who

meant something to you. She'd sworn off men long ago, the last time she fell in love she'd invited the devil into her heart and she'd lost, huge. That was to say, she knew better than to let the larger-than-life Delta Force operator into her life. Hope recognized the risk but Beau had promised her he would fight for her and he did—until he left her more broken than he found her. Beau "Jangles" Talbot had promised himself he wouldn't fall for a woman while he was still in the Army. He'd seen it too many times before—a good woman getting worn down by the demands of being a military wife. But when he meets the gorgeous bartender Hope Mitchell, he does the unthinkable and falls in love. Then his worst nightmare comes to fruition and Hope is thrown into a dangerous situation because of him and his teammates. One mission—five women—everything is on the line. Jangles and his teammates have one shot at getting it right, one chance at extraction, or every man on his team loses the women they love. ** Hope's Delta is the 5th and final book in the Delta Team Three Series. Each book is a stand-alone, with no cliffhanger endings. ** Operation Alpha is a fan-fiction world for Susan Stoker's novels. The characters in this series were introduced in Stoker's Delta Team Two series, specifically, book two, *Shielding Kinley*. You don't have to read that book to be engrossed in this series, but why wouldn't you want to? Enjoy!
