Deeply unhappy at the recent divorce of her parents, Mary is sent away to live by the sea with her distant grandfather and the detestable Aunt Alice. Feeling abandoned, without even the company of her beloved pet cat Noakes, the summer looks set to become one long stretch of unendurable loneliness. But suddenly she is dragged, half unwittingly, into a situation that will force her to come to the aid of others more vulnerable than herself. So begins her runaway summer, as she sets about helping Simon, the son of a local policeman, and a young illegal immigrant boy arrived from Kenya, frightened and all alone. The Runaway Summer was first published in 1969 to typically universal acclaim. It is, in the words of the Times Educational Supplement, an 'unputdownable gem of a book. The tale is beautifully constructed in diamond-hard language.' Written by well-respected authors, the Cambridge Checkpoint Science suite provides a comprehensive, structured resource which covers the full Cambridge Secondary 1 framework and seamlessly progresses into the next stage. This engaging course supports teaching of the Science framework both theoretically and practically, with full coverage of the Scientific Enquiry framework integrated throughout the series. This book examines important concepts, such as needs analysis, goal-setting, and content specification, and serves as a useful introduction for teachers who want to gain an understanding of syllabus design in order to modify the syllabuses with which they work. We are working with Cambridge Assessment International Education to gain endorsement for this forthcoming title. This series offers full coverage of the learning objectives for the Cambridge Lower Secondary English as a Second language curriculum framework (0876) and is mapped to the Common European Framework of Reference. - Stimulate learners with model texts and a range of activities to develop skills, knowledge and comprehension. - Revisit previous knowledge with the 'Do you remember?' feature to recap topics and activate schema, along with practice tasks, exercises and 'Challenge yourself' activities to consolidate learning. - Clearly address the key objectives: reading, writing, speaking, listening and use of English. - Support activities and knowledge covered in the Student's Book with the accompanying Workbook and Teacher's Guide with Boost subscription. The Cambridge Checkpoint English suite provides a comprehensive, structured resource which covers the Secondary 1 framework for English and seamlessly progresses into the next key stage (covered by our Cambridge IGCSE® First Language English series). A lively, colourful Coursebook for Stage 9, which includes activities to develop Reading and Writing skills, with integrated Speaking and Listening tasks. It contains 12 themed units with a full range of stimulus materials, including a balance of fiction and non-fiction from around the world. From the award-winning Serbian author David Albahari comes a devastating and Kafkaesque war fable about an army unit sent to guard a military checkpoint with no idea where they are or who the enemy might be. Atop a hill, deep in the forest, an army unit is dropped off to guard a checkpoint. The commander doesn't know where they are, what border they're protecting, or why. Their map is useless. The radio crackles with a language no one can recognize. A soldier is found dead in a latrine and the unit vows vengeance—but the killer, like the enemy, is unknown. Amid orgies and massacres, the commander struggles to maintain order and keep his soldiers alive, but he can't be sure whether they're fighting a war or caught in some bizarre military experiment. Equal parts Waiting for Godot and Catch-22, David Albahari's Checkpoint is a haunting and hysterical confrontation with the absurdity of war. Praise for Checkpoint: "A satirical take on war in the vein of Catch-22 and Slaughterhouse Five, Serbian author David Albahari's Checkpoint is shocking and comic in equal turns, skillfully pulled together by the force of Albahari's wit.... Visceral, wild, and often hilarious, Checkpoint is a dark delight." —Ho Lin, Foreword Reviews, Starred Review "A worthy descendant of The Good Soldier Svejk and Catch-22." —Kirkus Reviews "Checkpoint is a tornado of a book. David Albahari, a noted Serbian author who lives in Canada, muscles this Kafkaesque short novel into the war-is-absurd literary tradition in one tremendous 183-page paragraph.... Stylistically, JP Donleavy and Gary Shteyngart come to mind at times, while imagistically one might think of Goya, Picasso, or the Surrealists. But Albahari has a distinctive voice, and it comes through vividly in Ellen Elias-Bursa?'s able translation from the Serbian." —Jon Sobel, Blogcritics "Between adventure and apocalypse... Kafka and Kubrick...combining in grotesque-comical manner all the ridiculousness, beauty, horror, subtlety and extravagance that literature can hold." —Neue Zürcher Zeitung Checkpoint World English Stage 8 has been endorsed by Cambridge Assessment International Education. This series offers full coverage of the learning objectives for the Cambridge Lower Secondary English as a Second language curriculum framework (0876) and is mapped to the Common European Framework of Reference. - Stimulate learners with model texts and a range of activities to develop skills, knowledge and comprehension. - Revisit previous knowledge with the 'Do you remember?' feature to recap topics and activate schema, along with practice tasks, exercises and 'Challenge yourself' activities to consolidate learning. - Clearly address the key objectives: reading, writing, speaking, listening and use of English. - Support activities and knowledge covered in the Student's Book with the accompanying Workbook and Teacher's Guide with Boost subscription.
