It focuses on those events that shaped my theological convictions and led me to develop my distinctive emphases in theology, apologetics, and philosophy. It seeks to honor God's providence in leading me from one point to another in my life as a son, husband, father, theologian, apologist, and churchman. My goal in the book is to show how one's theological convictions are products, not only of logic and reasoning, but also of the events of one's life and the people one interacts with.
