Getting the books **Curbchek Zach Fortier** now is not type of challenging means. You could not lonely going when books heap or library or borrowing from your connections to way in them. This is an entirely simple means to specifically get guide by on-line. This online revelation Curbchek Zach Fortier can be one of the options to accompany you gone having extra time.

It will not waste your time. endure me, the e-book will very expose you new concern to read. Just invest little epoch to admittance this on-line statement **Curbchek Zach Fortier** as skillfully as evaluation them wherever you are now.

As recognized, adventure as capably as experience just about lesson, amusement, as well as promise can be gotten by just checking out a books **Curbchek Zach Fortier** with it is not directly done, you could say yes even more vis--vis this life, just about the world.

We meet the expense of you this proper as with ease as simple quirk to get those all. We offer Curbchek Zach Fortier and numerous ebook collections from fictions to scientific research in any way. among them is this Curbchek Zach Fortier that can be your partner.

Yeah, reviewing a ebook **Curbchek Zach Fortier** could accumulate your near contacts listings. This is just one of the solutions for you to be successful. As understood, triumph does not recommend that you have astonishing points.

Comprehending as with ease as conformity even more than further will offer each success. adjacent to, the message as skillfully as sharpness of this Curbchek Zach Fortier can be taken as capably as picked to act.

Landed on Black is about the reality that every cop comes to realize. After you have been on the job long enough you realize that nothing is how it seems. Your circle of people that you can trust...really trust, gets smaller every year and you start to question your own sanity/ Could everyone you know be this messed up? Is it really possible that you missed all the facades and the ruses that people kept up? Before I started working as a cop I was and careful about whom I chose to associate with. Now it seems everywhere I look I recognize the potential for being double crossed and betrayed. Landed On Black is about the toll that reality took on my life. Three words: Vampires versus Sasquatch. Bill Ryder: undead geek, dateless dweeb, and

legendary vampire is back in his wildest adventure yet. A war is brewing between ancient enemies from the dawn of time. If it can't be stopped, the veil will be lifted and all of humanity's darkest nightmares will be unleashed to wreak havoc. Bill and his friends are the only chance we have...Lord help us all The vampire nation dispatches Bill to a faraway land to broker peace, but it's not going to be easy. His enemies want him dead. Hell, some of his allies do too. Danger lurks at every turn and in places where he least expects it. Now Bill must rely on his friends, master his fledgling powers, and use every four-letter word in his arsenal to stop the war, uncover the conspiracy, and solve the mystery that lies at the heart of the Mourning Woods. ***** The Mourning Woods (the Tome of Bill, part 3) is 90,000 words of foul-mouthed horror hilarity by Rick Gualtieri, author of Bill the Vampire and Scary Dead Things. Curbchek is the story of a damaged cop, Zach Fortier. Fortier worked in the police department for the city where he grew up. One foot in the world of the cops, courts and legal system. The other in the world of gangs, drugs, thugs and street violence. Where the laws and rules are made by the strongest, the schemers and the most brutal. Read about the transformation of Fortier from a green rookie to a damaged paranoid veteran seeing danger in every situation. Follow along as he walks this tight rope. Trying to make difference, breaking the laws he promised to enforce. This is a story of law and order uncensored. Camp Baroota has fallen, and The Director has moved on. Forming a replacement- Camp Cachibaché. He has a new psychotic camp director, new security team and an impenetrable remote location. The Director is back in business. However, before the camp is even up and rolling The Wild Card has begun his vengeful hunt for The Director. The Hunter had become the hunted. Nick Hudson is back, more motivated, angry and mentally unstable. He's now committed to a no holds barred death match. A final violent confrontation with The Director. Fate however has another plan for Nick, as he and Nōnkos Zia, the only other survivor from Camp Baroota begin their quest to crush the elusive Director. The Battle has begun for Nick and Nōn. Cachibaché is full of unexpected twists and turns that set Nick into a downward spiral. Hold on tight and avoid the wrath of The Wild Card. Landed on Black is about the reality that every cop comes to realize. After you have been on the job long enough you realize that nothing is how it seems. Your circle of people that you can trust...really trust, gets smaller every year and you start to question your own sanity/ Could everyone you know be this messed up? Is it really possible that you missed all the facades and the ruses that people kept up? Before I started working as a cop I was and careful about whom I chose to associate with. Now it seems everywhere I look I recognize the potential for being double crossed and betrayed. Landed On Black is about the toll that reality took on my life. Fall in love with The Brides of Hilton Head Island, Sabrina Sims McAfee's, International Bestselling contemporary romance series. MARRYING MR. RIGHT is an emotional, sexy love story with light suspense. When the alpha men in this series falls in love it's always and forever. And their dashing brides couldn't be happier. Book Description: Taylor Spelling is in big trouble. Trouble of the worst kind. To her dismay, the only person that may be able to help her is her boyfriend, the handsome Zeke Balfour. Upon arriving at Zeke's mansion, Taylor is finally ready to tell Zeke her big secret, but before she does, Zeke leads her into a torrid love affair she can't resist. Hot kisses on the lips. Smooth touches from his big hands, caressing her. Zeke's hot, lusty moves are hard to refuse. Makes Taylor forget why she'd come to see him in the first place. Zeke Balfour is young, athletic, and wealthy. At his father's insistence to spoil him, Zeke has more money than he knows what to do with. However, Zeke isn't interested in wealth. The only thing on Zeke's heart and mind is sweet and delicious Taylor Spelling. Pretty Taylor stokes a fire in Zeke and makes him burn to the core. Makes him burn with need. Burn with love. Right when Taylor gets ready to share a secret with Zeke that could change his life in the best way possible, someone takes her from him. Steals her right from under his damn nose. Devastated and heartbroken beyond measure, Zeke sets out on a journey to find the one woman God promised him—the love of his life—the beautiful Taylor Spelling. Zach Fortier is back with more true crime accounts from the streets. This time he deals with the subject of cops gone bad, including an account of one cop that made the FBI's ten most wanted list for a brutal, quadruple murder. It's hard to believe—and read—about so many police officers that fall from grace and make every mistake possible: theft, murder, fraud, drug abuse, and more. Not to mention the cops sent to prison, proving that "anyone is capable of anything given the right circumstances." Get a rare insider's look at what cops rarely talk about—true accounts of cops gone bad. It's a ride on the dark side of law enforcement you won't forget. Hero to Zero has been ranked at #2 in true crime best sellers, #1 in hot new releases in true crime genre, and #1 in Hot new releases in true accounts genre. A gripping tale of personal revolution by a man who went from Crips co-founder to Nobel Peace Prize nominee, author, and antigang activist When his L.A. neighborhood was threatened by gangbangers, Stanley Tookie Williams and a friend formed the Crips, but what began as protection became worse than the original gangs. From deadly street fights with their rivals to drive-by shootings and stealing cars, the Crips' influence -- and Tookie's reputation -- began to spread across L.A. Soon he was regularly under police surveillance, and, as a result, was arrested often, though always released because the charges did not stick. But in 1981, Tookie was convicted of murdering four people and was sent to death row at San Quentin in Marin County, California. Tookie maintained his innocence and began to work in earnest to prevent others from following his path. Whether he was creating nationwide peace protocols, discouraging adolescents from joining gangs, or writing books, Tookie worked tirelessly for the rest of his life to end gang violence. Even after his death, his legacy continues, supported by such individuals as Archbishop Desmond Tutu, Snoop Dogg, Jesse Jackson, and many more. This posthumous edition of Blue Rage, Black Redemption features a foreword by Tavis Smiley and an epilogue by Barbara Becnel, which details not only the influence of Tookie's activism but also her eyewitness account of his December 2005 execution, and the inquest that followed. By turns frightening and enlightening, Blue Rage, Black Redemption is a testament to the strength of the human spirit and an invaluable lesson in how rage can be turned into redemption. Camp Cachibache has fallen. The Director has been disposed of by Nick Hudson and a team of Ukraine mercenaries known as the Asgarda. For the moment all is well until a series of events half way around the world draw the team back into a desperate search for their interpreters kidnapped older sister Svetlana. Nick Hudson is forced back into the deadly world of Human trafficking. If he is going to succeed on this mission he will need some help from his past, a legendary gang leader gone straight may be the only means to rescue

Svetlana. However the two men have a past as adversaries. The quest to save Svetlana will be life altering for both of them and the team of Asgarda warriors. Based on real life experiences that happened during the author's thirty years in law enforcement in the city where he grew up. Based on real life experiences that happened during the author's thirty years in law enforcement, Curbchek is the darkest account of Zach's final years on the force. When Donna Marie Gentile, escaped from a home for delinquent girls and made her way to San Diego she had big dreams. She worked in security for a while and even dreamed of joining the police department. But things didn't work out as she planned. Donna, like many other innocent runaways, became a victim of the street walker life. While in survivor mode she was groomed, exploited, and coerced into prostitution, a path that took control of her life and ultimately led to her death at the age of twenty-two. Donna Gentile allowed herself to be befriended by several police officers thinking that this would afford her some protection in her dangerous life on the streets. Instead she was harassed and ultimately victimized by some of the same police to whom she had turned for help. But Donna was a fighter. Rather than taking the abuse, which included sexual harassment, she reported it to the San Diego Police Department. She testified against two officers, one of whom lost his job on account of her testimony. Her life became further complicated when the Internal Affairs Division exploited and coerced her into becoming a police corruption informant. Donna was scared. She left a voice recording with her attorney beginning with the words, "In case I disappear," and going on to state that "someone wearing a badge may turn out to be a serious criminal." In March 1985 while she was serving a sentence in Las Colinas jail the Philadelphia native wrote "My life is in danger when I get out." Then three months later her brutally murdered body was found on Mt. Laguna in the rural part of San Diego county. Gravel was stuffed in her mouth, something the mob does when it wants to warn others against being a "snitch." Donna's autopsy was sealed - the first and only autopsy ever to be sealed in the city of San Diego. Someone wanted to silence Donna. But who? "The Donna Gentile Story," written by Donna's first cousin lets you decide, and it gives voice to future runaways forced to survive on the streets as sex workers. It shows how Donna Gentile was a trailblazer who carved a path for women by not remaining silent in the face of harassment and abuse. In this way she was an early pioneer of the "Me Too" movement which, at long last, is telling women that not only can they speak out, but that they can also act. This high profile story exploded in the media and was nationally televised. Artists unveiled a billboard with the logo NHI, "No Humans Involved," bearing Donna's picture and facing toward the SDPD headquarters. We believe her murder was a "cover-up," perhaps of police incompetence, or perhaps of something much more sinister. The police try to label all sex workers as criminals. In fact many young women are victims of sex trafficking who have been coerced into prostitution, and sometimes the police are complicit in this. PRAISE FOR ENEMY IN BLUE "The plot is as gripping as it is chilling. The story flows smoothly, and each chapter ends with the perfect amount of suspense to keep you wanting more. A fantastic and exciting read, as I could not put the book down." -B.Burton "A great first thriller for this young author. I would compare this story to John Grisham's book of "The Innocent Man." It is that captivating and more." -M. Bautista "You know a book is good when you are not an avid reader but you discover you don't want to put a book down." -E. Streible BOOK DESCRIPTION The streets aren't safe when your enemy wears a blue uniform and a gold badge. What if the good guys weren't good? What if a cop went rogue and killed an innocent man? What if it was all caught on video and the cop would do anything to cover it up? MORE PRAISE FOR ENEMY IN BLUE "Much like the script of an action-packed movie, Enemy in Blue will buffet you from one hair-raising scene to another -- and will always leave you pondering, who's the real enemy?" -L.Capritta "This novel took me out of my comfort zone and placed me in the shoes of many people in America who live in fear. Overall, it was excellent and I highly recommend it." -Dolores M. "I can honestly say that I could not put this book down!" -L. Rivera "I can not believe all the places you go and the points of view you have as you consume these pages. If you are looking for a great read, look no further!!!" -S.Seitz "Enemy in Blue grabbed me from page one and didn't let go until the last page was turned. I had to keep reminding myself that this was a debut novel... because it read like many of the seasoned legal thriller authors that I love to read and get lost in." -K.Velte For anyone that craves an action-packed thriller and can't get their fill of John Grisham, Dean Koontz or James Patterson...ENEMY IN BLUE is your next escape! "For action, body-count and digging into the underworld of police politics - this is really a great read. However, I think the best asset of the novel is the incredible drawing of the antagonist - the evil Sergeant Shaver really shines." Curbchek-Reload is the third True Crime account written by Zach Fortier. Like the two previous books, Curbchek and Streetcreds, it is based on real events that happened to Zach Fortier during a thirty year career in Law Enforcement. Curbchek-Reload is a dark account of the final years of Zach's time spent as a cop, He is damaged and paranoid. Having survived frequent life and death battles. He is taking dangerous risks and pushing himself to the limits. Sprinkled with humorous events to lighten the razors edge descriptions of the daily shootings, stabbings and, rapes, Curbchek Reload has the highest rating of any of Zach Fortier's books. If you like your true crime edgy and dark take a look at Curbchek-Reload. You will not be disappointed. Curbchek-Reload has been awarded a Silver medal in the 2014 Readers Favorite International book awards contest in the true crime genre Curbchek-Reload has been ranked #1 in true crime best sellers on Amazon Baroota is a fictional tale of Nick Hudson, an aging, retired cop attempting to get in one last mission to make a difference. He gets sucked into an off-the-books black ops mission to rescue victims of human trafficking being sold into sexual slavery. He meets Nōnkos Zia or Nōn, a woman born in South Africa and a former victim of Muti-medicine - a type of medicine still practiced in South Africa that weaves the occult and human sacrifices into the locals belief system. She is also a victim of human trafficking, from which she barely escaped after taking revenge on her captors. They are outsiders in a dark twisted tale of deceit, lies, and double crosses that take them to the Darien Gap in Panama, one of the most remote areas in the world, to hunt human traffickers. Inside the Crips is the memoir of the author Colton Simpson's life as a Crip--beginning at the tender age of ten in the mid-seventies--and his prison turnaround nearly twenty-five years later. Colton ("C-Loc") Simpson calls himself the only gang member ever allowed to quite the Crips--and one of the few to survive into his thirties. Simpson--son of a ballplayer for the California Angels and a mother who was relentlessly rough with her sons after their fathers left her--became a gang member at ten. Inside The Crips tells the remarkable--and at the same time, all too common--

story of gang life in the 1980s in immediate and descriptive prose that makes this book a gripping true-life read. Inside *The Crips* covers the rush that comes from participating in gang violence and the years-long wars between the Bloods and Crips. Simpson's story also puts the reader in the middle of the struggle between the Crips and corrections officers in Calipatria prison. It covers gang life from the mid-seventies to the mid-nineties, and introduces characters it's impossible not to care about: Simpson's fellow gangbanger Smile; and Gina, the long-suffering friend and mother of two sons who married Simpson in prison. This new deluxe eBook edition features more than eighty additional pages of exclusive, author-approved annotations throughout the text, which contain new illustrations and photographs, to enrich your reading experience. You can access the eBook annotations with a simple click or tap on your eReader via the convenient links. Access them as you read the novel or as supplemental material after finishing the entire story. There is also Random House Reader's Circle bonus content, which is sure to inspire discussion at book clubs everywhere.

When Julie Jacobs inherits a key to a safety-deposit box in Siena, Italy, she is told that it will lead her to an old family treasure. Soon she is launched on a winding and perilous journey into the history of her ancestor Giulietta, whose legendary love for a young man named Romeo rocked the foundations of medieval Siena. As Julie crosses paths with the descendants of the families immortalized in Shakespeare's unforgettable blood feud, she begins to realize that the notorious curse—"A plague on both your houses!"—is still at work, and that she is the next target. It seems that the only one who can save Julie from her fate is Romeo—but where is he? "One of those rare novels that have it all . . . I was swept away."—Sara Gruen

Fresh starts, hope, and happily ever afters? Nurse Sage Nichols' life changed when she lost her favorite patient and inherited a bed and breakfast in a town she didn't know existed. She traveled to Aspen Cove intent to sell so she could hurry back to her life in Denver. Little did she know, she was about to find everything she ever needed in the tiny mountain town with a big heart. Sage found herself in a place where caring for your neighbor was a way of life. In her case, that happened to be surly Cannon Bishop, the man of her dreams. Cannon Bishop was a man who learned long ago that hope was a dangerous thing. Closed off from the world after a family tragedy, Cannon lived a lonely life as the owner of Aspen Cove's only bar and son to the town drunk. When Sage Nichols breezed into town, she offered the possibility of more if he'd only open his heart. Cannon's protective walls tumble and suddenly a brighter future of healing, hope, and peace was possible—if only Sage would stay.

Curbchek-Reload is a darker account of the streets as they were worked by Zach Fortier, a dangerously deranged cop. Welcome back to the inner city and the twisted mentality of Zach Fortier. Patrolling the streets, broken and mentally damaged from years of urban violence, Zach fights a losing battle to maintain a hold on reality. Join him in the passenger seat of a police cruiser for more of the darker and meaner side of life: The inner city. In *Curbchek-Reload* you get a front row seat to an attempted murder of a cop, suicide attempts, rapes, and DARK cop humor. *Curbchek-Reload* - Fasten your bullet proof vest and buckle your seatbelt, it is gonna be a wild ride! A young boy, his loyalties torn between the old world and the new, fights to save his family as he faces the monsters without, and those within.

CurbChek-Box Set is a true crime account of the police career of Zach Fortier. It recalls the significant calls and incidents handled by Zach during a 30 year career as a Police officer. This is a no holds barred account of the streets. There is no glossing over of gruesome details and no embellishment of the realities of what happened. Good, Bad or Ugly it is all there. *StreetCreds* is a look inside the world of street gangs and the cops that work them. I worked the street for many years before I entered the Gang Task Force, joining it with the idea that I could rise to the level of violence of any banger I encountered - a really stupid idea. I grew up in this city, and I worked its streets the best way I knew how, feeling that I had a firsthand understanding of what the citizens were experiencing. The increasing frustration at gang crimes, drive bys, robberies, never feeling safe with your kids in your own neighborhood - I wanted to do what I could to make that fear go away. Once I was inside the task force, though, the reality was a rude awakening. The task force was poorly managed and staffed by detectives mostly out for themselves, and the internal politics made success incredibly difficult and almost impossible - almost, but not quite. Witnessing bad cops, brutal crimes, and realizing the department had been compromised. I left the unit two years later, severely broken, edgy, and dangerously damaged. *StreetCreds* is the story of how all that came to be. Hold on for a reality check. ~ Zach

"At eight-years-old, Tuesday Storm's childhood is forever lost when tragedy sends her family spiraling out of control into irrevocable dysfunction. For no apparent reason, Tuesday is singled out from her siblings, blamed for her family's problems, and targeted for unspeakable abuse. Suddenly, the loving environment she's come to know becomes an endless nightmare of twisted punishments as she's forced to confront the dark cruelty lurking inside the mother she idolizes. Based on a true story, *Call Me Tuesday* recounts a family's painful journey through the hidden horrors of child abuse, and a young girl's physical and mental torment at the mercy of the monster in her mother's clothes -- a monster she doesn't know how to stop loving."--Back cover.

The novel follows the story of a damaged cop, Zach Fortier. Fortier worked in the police department for the city where he grew up. With one foot in the world of the cops, courts and legal system, he is trying to make a difference, sometimes breaking the laws he promised to enforce. This is a story of law and order uncensored. The founder of Blackwater offers the gripping true story of the world's most controversial military contractor. In 1997, former Navy SEAL Erik Prince started a business that would recruit civilians for the riskiest security jobs in the world. As Blackwater's reputation grew, demand for its services escalated, and its men eventually completed nearly 100,000 missions for both the Bush and Obama administrations. It was a huge success except for one problem: Blackwater was demonized around the world. Its employees were smeared as mercenaries, profiteers, or worse. And because of the secrecy requirements of its contracts with the Pentagon, the State Department, and the CIA, Prince was unable to correct false information. But now he's finally able to tell the full story about some of the biggest controversies of the War on Terror, in a memoir that reads like a thriller. *Camp Cachibache* has fallen. The Director has been disposed of by Nick Hudson and a team of Ukraine mercenaries known as the Asgarda. For the moment all is well until a series of events half way around the world draw the team back into a desperate search for their interpreters kidnapped older sister Svetlana. Nick Hudson is forced back into the deadly world of Human trafficking. If he is going to succeed on this mission he will need some help from his past, a legendary gang leader gone straight may be the only means to rescue Svetlana. However the

two men have a past as adversaries. The quest to save Svetlana will be life altering for both of them and the team of Asgarda warriors. One hundred years ago Villisca, Iowa made the national spotlight when eight people were butchered in their sleep. Attention quickly turned to the Reverend Lyn Kelley, "a queer, strange, little preacher man," often accused of window peeping. Kelley said he was walking by the Moore house when a voice commanded him to, "Go in. Slay utterly." What could he do? He climbed the stairs and slaughtered the children. "Slay utterly. Suffer the little children." Back downstairs, he went into the parent's bedroom. "More work yet. There must be sacrifices of blood." Again, the ax did its work. In another downstairs bedroom, he discovered the Stillinger girls, asleep in their beds. "More work still." The ax resumed its work. Eight people were dead. The ax was satisfied. When Kelley recanted his confession, detectives developed dozens of other suspects, but none of them panned out. The Villisca Ax Murders remain Iowa's most famous cold-case file.

I Am Raymond Washington is the only authorized biography of the undisputed founder of the Crips and provides an unprecedented look into Raymond Washington's life. If you're looking for stories of gang violence and crimes committed by gang members, that's been done before, and this book isn't for you. But if you're looking for a factual and intuitive look into what made Raymond Washington unique in the mean streets of Los Angeles, this is the book you want to read. Filled with stories, many never-before-seen photographs, as well as interviews and eyewitness accounts of those who knew Raymond, what he represented, and how and why the Crips were formed-and why his name is still spoken on the streets of Los Angeles today with hatred, fear, awe, and reverence. Entering the world of Raymond Washington with an open mind was difficult for me; however, the story of who Raymond Washington was as a leader, warrior, tactician, and mentor became clear. Learn why the gang was so successful and how an unremarkable fifteen-year-old kid in the fall of 1969 sat down with his best friend and formed what later became one of the most successful, and yet feared and hated gangs in the world-the Crips. "Ashley Fontaine proves with 'Number Seventy-Five' that she's a talent to watch."--Raymond Benson, author of *The Black Stiletto* series "With an attention to detail, and a slowly building sense of dread and horror, Ashley Fontaine's 'Number Seventy-Five' will have you racing through her story of online connection, and just how bad things can go on a date. This is tale that, with its Hitchcockian twists dealing with greed and murder, I dare you to stop reading."-- Matt Costello, author of *Vacation and Home* "I absolutely love this woman's style and plots. Have to read anything and everything she writes. Awesome talent! Oh, the twists and turns she takes us on. Thanks, Ashley Fontaine, for creating such memorable works!"-- Janelle Taylor, NY Times bestselling author "Fontaine is back again with a neck snapping, jaw dropping thriller you will not be able to put down."-- Zach Fortier, bestselling author of *Curbchek*, *Curbchek: Reload*, *Street Creds* and *Hero to Zero* Dating can be deadly... Three years after the demise of her seventeen year marriage, Mandy Russell decides to jump back into the choppy waters of the dating world. With very little options available in her small town of Bainsville, Tennessee, Mandy lets her best friend Shawna persuade her into joining an online dating site. Feeling she has met someone she can really connect with, Mandy decides it's time to meet face-to-face with her new suitor, unaware of his true plans for her. Dark, sinister plans that will test Mandy's physical strength, mental fortitude, and will to survive. Will Mandy prevail or will this first date be her last? From the author of the New York Times bestseller *Juliet* comes a mesmerizing novel about a young scholar who risks her reputation--and her life--on a thrilling journey to prove that the legendary warrior women known as the Amazons actually existed. Oxford lecturer Diana Morgan is an expert on Greek mythology. Her obsession with the Amazons started in childhood when her eccentric grandmother claimed to be one herself--before vanishing without a trace. Diana's colleagues shake their heads at her Amazon fixation. But then a mysterious, well-financed foundation makes Diana an offer she cannot refuse. Traveling to North Africa, Diana teams up with Nick Barran, an enigmatic Middle Eastern guide, and begins deciphering an unusual inscription on the wall of a recently unearthed temple. There she discovers the name of the first Amazon queen, Myrina, who crossed the Mediterranean in a heroic attempt to liberate her kidnapped sisters from Greek pirates, only to become embroiled in the most famous conflict of the ancient world--the Trojan War. Taking their cue from the inscription, Diana and Nick set out to find the fabled treasure that Myrina and her Amazon sisters salvaged from the embattled city of Troy so long ago. Diana doesn't know the nature of the treasure, but she does know that someone is shadowing her, and that Nick has a sinister agenda of his own. Unsure of whom to trust, Diana finds herself on a daring and dangerous quest for truth that will forever change her world. Sweeping from England to North Africa to Greece and the ruins of ancient Troy, and navigating between present and past, *The Lost Sisterhood* is a breathtaking, passionate adventure of two women on parallel journeys, separated by time, who must fight to keep the lives and legacy of the Amazons from being lost forever.

Curbchek is the story of a damaged cop, Zach Fortier. Fortier worked in the police department for the city where he grew up. One foot in the world of the cops, courts and legal system. A Tom Gray Novel: Book 1 When ex-soldier Tom Gray loses his wife and child to a career criminal, it seems life can't get much worse. But when the killer is let off with time served on remand, Gray knows there is something fundamentally wrong with the justice system. Engaging the help of his ex-SAS buddies, he kidnaps five repeat offenders and asks the public to vote on their fate: Should they be allowed to continue their criminal ways with inadequate punishment, or has Britain had enough? His website attracts a worldwide audience and, although the authorities know where he is, they are powerless to stop him. Can Gray carry out his audacious plan? Will Andrew Harvey and his fellow MI5 operatives find a way to stop him? *Gray Justice*, the first book in the Tom Gray series, is more than a simple tale of revenge: it's a rollercoaster ride with an ending you'll never forget. The infamous Suge Knight, former Death Row Records CEO, and Keffe D are the only living eyewitnesses to the deadly confrontation on the Las Vegas strip between the occupants of our two vehicles. A violent confrontation that led to the

deaths of two of Hip-Hop's biggest stars (Tupac Shakur & Christopher 'Notorious B.I.G.' Wallace) and changed Hip-Hop history forever. There's a strict code on the streets. One that real street players live, kill, and die by. Compton Street Legend reveals the street-level code violations and the explosive consequences when the powerful worlds of the streets, entertainment, and corrupt law enforcement collide. More than twenty years after the premature deaths of Tupac and Biggie there have been numerous TV specials, documentaries, books, magazine and newspaper, and social media dedicated to the subject. But at the end of the day, none of the private investigators, retired police officers, informants, Hip-Hop heads, actors, or academics that have weighed in on the topic truly know what happened and the reasons behind it, because none of them were there. Duane 'Keffe D' Davis, a native of Compton, California, admittedly lived most of his life as a gangster; a real gangster that did the shit that real gangsters do. He rose up the gang-banging ranks to become a shot-caller for the notorious Southside Compton Crips, while running a multi-million dollar, multi-state drug empire. Keffe D has been a central figure in both the Tupac Shakur and Biggie murders for the past 20 years. COMPTON STREET LEGEND will add valuable information about two of the biggest "unsolved" crimes in American history. It will serve as the missing piece of the puzzle that Hip-Hop Fans have been waiting for. On the surface, COMPTON STREET LEGEND will look like a story based on violence and hate, it is actually a story about Love, Family, Brotherhood, Loyalty, Trust, and Honor. It's time to set the story straight. Fasten your seatbelts. Based on real life experiences that happened during the author's thirty years in law enforcement in the city where he grew up. A unit of the Seventh Cavalry is on a mission over Afghanistan when their plane is hit by something. The soldiers bail out of the crippled plane, but when the thirteen men and women reach the ground, they are not in Afghanistan. A unit of the Seventh Cavalry is on a mission over Afghanistan when their plane is hit by something. The soldiers bail out of the crippled plane, but when the thirteen men and women reach the ground, they are not in Afghanistan. Not only are they four thousand miles from their original destination but it appears they have descended two thousand years into the past where primitive forces fight each other with swords and arrows. The platoon is thrown into a battle where they must choose sides quickly or die. They are swept along in a tide of events so powerful that their courage, ingenuity and weapons are tested to the limits of their durability and strength. Gruesome California is a collection of true-life stories - most of them rescued from old newspaper accounts published over 100 years ago. Only a few of the events in this book - have ever made it into print, except maybe in musky-old county histories. Even then, many of them are lucky to rate a paragraph. Read them now, if you dare! SETI has been searching the universe unsuccessfully for intelligent life since its inception. A group of one hundred thousand plus gamers called "Bellsters" test the theory of quantum entanglement in a worldwide experiment and establish an irrevocable first contact with an alien species. The Kingdom of Saudi Arabia grants an AI named Sophia, developed by Hansen Robotics, citizenship in their kingdom. Spinners are mass marketed to the public as "must have" curiosities. What do these things have in common? Viktor Roper is about to find out as he enters into a desperate one-man death match in an attempt to prevent the complete annihilation of the human race. CurbChek-Box Set is a true crime account of the police career of Zach Fortier. It recalls the significant calls and incidents handled by Zach during a 30 year career as a Police officer. This is a no holds barred account of the streets. There is no glossing over of gruesome details and no embellishment of the realities of what happened. Good, Bad or Ugly it is all there. Curbchek The Box Set has been listed at #6 in the Law Enforcement genre on Amazon.com and is frequently in the top ten in True Crime as well. Curbchek debuted at # 11 on Amazon.com in Hot New Releases, and has been listed in the top five on Amazon's true crime best sellers listed at #4. Curbchek has been awarded a Bronze Medal in the 2013 Readers Favorite International Book Awards Curbchek is the story of a damaged cop, Zach Fortier. Fortier worked in the police department for the city where he grew up. One foot in the world of the cops, courts and legal system. The other in the world of gangs, drugs, thugs and street violence. Where the laws and rules are made by the strongest, the schemers and most brutal. Read about the transformation of Fortier from a green rookie to a damaged paranoid veteran seeing danger in every situation. Follow along as he walks this tight rope. Trying to make difference, breaking the laws he promised to enforce. This is a story of law and order uncensored. "When I came out [of prison], I wanted blood--anybody's blood. I wanted to kill people and see it run," said Chicago serial killer Henry Spencer. The penitentiary gave him ten dollars when they turned him loose. He spent eight dollars on a pistol and started robbing people. "I have been killing people...ever since. I liked it in a way. When I robbed anyone, it was a sort of satisfaction to clean up the job by shutting the victim's mouth forever." "After my first stretch in the penitentiary, I became cold-blooded, and for five cents would kill a man and drink his blood," said Spencer. "The treatment I received down there was enough to drive a man crazy. They would beat me and hang me up by the fingers for some slight infraction of the rules." "I've always had a natural hatred for women. I killed them as I would so many flies." "Whenever I felt like killing anyone, I'd hit them with a hammer or shoot them, whichever happened to be handiest." Henry Spencer murdered as many as 29 people between 1900 and 1912, and yet no one alive today knows who he is. Henry Bastian killed nine people on his Milan Murder Farm in as many years, but like Spencer, he's fallen through the cracks and disappeared to history. Gruesome Illinois is a collection of true-life stories - most of them rescued from old newspaper accounts published over 100 years ago. Only a few of the events in this book - such as the Monmouth Ax Murders and Chicago serial killer H. H. Holmes have ever made it into print. Except maybe in musky-old county histories. Even then, they are lucky to rate a paragraph. Read them now, if you dare!
