Gastropolis May 20 2022 An irresistible sampling of the city's rich food heritage, Gastropolis explores the personal and historical relationship between New Yorkers and food. Beginning with the origins of New York's fusion cuisine, such as Mt. Olympus bagels and Puerto Rican lasagna, the book describes the nature of food and drink before the arrival of Europeans in 1624 and offers a history of early farming practices. Specially written essays trace the function of place and memory in Asian cuisine, the rise of Jewish food icons, the evolution of food enterprises in Harlem, the relationship between restaurant dining and identity, and the role of peddlers and markets in guiding the ingredients of our meals. They share spice-scented recollections of Brooklyn, Queens, and the Bronx, and colorful vignettes of the avant-garde chefs, entrepreneurs, and patrons who continue to influence the way New Yorkers eat.

One Mile Under Nov 26 2022 In New York Times bestselling author Andrew Gross's propulsive thriller, set amid the drought-stricken oil country of Colorado's beautiful high plains, Ty Hauck makes his long-awaited return rallying beaten-down farmers and ranchers against a giant energy company in a deadly confrontation involving murder, retaliation, and cover-up. Leading a tour down the rapids outside Aspen, Colorado, whitewater guide Dani Whalen comes upon the dead body of a close friend. Trey Watkins's death is ruled an accident. Finding evidence that seems to back up her suspicions that it wasn't, she takes her case to Wade Dunn, the local police chief and her ex-stepfather, with whom she shares some unresolved history. Wade insists the case is closed, but Rooster, a hot air balloon operator in town, claims he saw something from the air she should know. When he suddenly dies in a fiery crash, Dani threatens to take her suspicions public, goading Wade into tossing her in jail. When an old friend contacts Ty Hauck and says his daughter is in trouble, he doesn't hesitate to get involved. Together, the two step into a sinister scheme running deep beneath the surface of a quiet, Colorado town that has made a deal with the devil to survive. But in the square off between giant energy companies and beaten-down ranchers and farmers, one resource is even more valuable in this drought-stricken region than oil. They both will kill for it—water. *One Mile Under* is a thrilling rapid run of hair-raising twists and unforeseen turns set against one of the most provocative environmental issues of our time.

The Dark Tide Jul 22 2022 A woman must uncover the secrets of her dead husband's past in this electrifying thriller from the author of the New York Times bestseller *The Blue Zone*. An explosion rips through New York City's Grand Central Station one morning, destroying the train Karen Friedman's husband, a successful hedge fund manager, is riding in to work. Days later, with many bodies still unidentifiable, Karen resigns herself to the awful truth: her husband of eighteen years is dead. On that same day, a suspicious hit-and-run accident leaves a young man dead in Karen's hometown of Greenwich, Connecticut. Ty Hauck, a detective, becomes emotionally caught up in the case and finds a clue that shockingly connects the two seemingly unrelated events. Months later, two men show up at Karen's home digging into Charles's business dealings. Hundreds of millions of dollars are missing—and the trail points squarely to Charles. With doubt suddenly cast on everything she has ever known, Karen, with Hauck, steps into a widening storm of hedge fund losses, international scams, and murder. And as the investigations converge, these two strangers touched by tragedy are pulled into a deepening relationship and unwittingly open the door to a twisted—and deadly—conspiracy.

The Fifth Column Feb 05 2021 “One of the best historical thriller authors in the business... [A] stellar novel.” —Associated Press #1 New York Times bestselling author of *The One Man* Andrew Gross once again delivers a tense, stirring thriller of a family torn apart set against the backdrop of a nation plunged into war. February, 1939. Europe teeters on the brink of war. In New York City, twenty-two thousand cheering Nazi supporters pack Madison Square Garden for a raucous, hate-filled rally. In a Hell’s Kitchen bar, Charles Mossman is reeling from the loss of his job and the demise of his marriage when a group draped in Nazi flags barges in. Drunk, Charlie takes a swing at one with tragic results and a torrent of unintended consequences follows. Two years later. America is wrestling with whether to enter the growing war. Charles’s estranged wife and six-year-old daughter, Emma, now live in a quiet brownstone in the German-speaking New York City neighborhood of Yorkville, where support for Hitler is common. Charles, just out of prison, struggles to put his life back together, while across the hall from his family, a kindly Swiss couple, Trudi and Willi Bauer, have taken a liking to Emma. But Charles begins to suspect that they might not be who they say they are. As the threat of war grows, and fears of a “fifth column”—German spies embedded into everyday life—are everywhere, Charles puts together that the seemingly amiable

Bauers may be part of a sinister conspiracy. When Pearl Harbor is attacked and America can no longer sit on the sideline, that conspiracy turns into a deadly threat with Charles the only one who can see it and Emma, an innocent pawn.
