beaten path, a settlement where everyone knows everyone and strangers are the talk of the town. But when Belhaim's peace and quiet is shattered by the sudden collapse of the last standing tower of its founder's castle, things quickly bloom out of control. Why were there bodies of kobolds amid the rubble? What's the sinister secret behind the strange sounds of flapping wings in the night? And what's happened to local wizard Balthus Hunclay, who's not answering knocks on his door? The collapsed tower had long been an eyesore to the cantankerous old man-could he have had something to do with its destruction? And what of the rumors of strange stirrings in nearby Dragonfen? Has Belhaim's ancient draconic nemesis returned? **101 Creative Dates** Dec 26 2020 Many of you find it hard to think up new and exciting ideas for dates. I don't blame you. It's not the easiest thing to do, especially in our "Netflix and Chill" kind of world. And no, that does not count as a creative date. People appreciate a bit of creativity now and then, so why not surprise your next date with something different? That's where this book comes in. What will you get out of it? Well, hopefully a whole lot of inspiration, and maybe even a laugh or two at my expense. But seriously, want some cool date ideas that aren't very expensive? I got you covered. Maybe this is your first time going out and you want to make a good impression by doing something different? I got you covered. Are you married and lucky enough to escape the kids for one evening and want to impress your spouse with something different, something unique, and maybe even something magical? Covered. Bored

of all the same old date ideas? I. Have. Got. You. Covered. Since I'm a guy, I'm writing from a man's perspective of planning and executing a date, although I realize that in this day and age, anyone could pull it off. With that in mind, are you ready to change how you see dating? Good. Sit back, relax, and enjoy the ride. The adventure begins.

**D-Infinity** Jul 21 2020 In the real lives of most people, holidays and celebrations of various sorts often provide them with their greatest experiences, and positive and negative events alike tend to be significantly more memorable when viewed through the lenses of festivities. Several of the features in this volume of d-Infinity are designed to be of use to game designers and authors who want to use holidays and celebrations to a greater extent in their stories.
